(57) **CLAIM**

The ornamental design for a display screen with graphical user interface for a communications terminal, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of the display screen with graphical user interface for a communications terminal showing my new design.

The broken line perimeter showing the display screen and broken lines within said perimeter showing certain texts, icons, and elements are provided for the purpose of illustrating portions of the article and forms no part of the claimed design.
