See application file for complete search history.

FIG. 1 is a front view of a first image in a sequence for a display screen or portion thereof with an animated graphical user interface, showing our new design; FIG. 2 is a second image thereof; FIG. 3 is a third image thereof; FIG. 4 is a fourth image thereof; FIG. 5 is a fifth image thereof; FIG. 6 is a sixth image thereof; and, FIG. 7 is a seventh image thereof.

The dot-dash lines in the figures represent a display screen or portion thereof and a boundary line and form no part of the claimed design. The remaining broken lines, showing portions of the animated graphical user interface, form no part of the claimed design.

The appearance of the animated user interface sequentially transitions between the images shown in FIGS. 1-7. The process or period in which one image transitions to another forms no part of the claimed design.
