(57) **CLAIM**

The ornamental design for a display with a graphical user interface, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a front view of a display with a graphical user interface showing my new design. The broken lines represent a display screen and form no part of the claimed design.
