(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing our new design.

The outer broken line perimeter showing the device hardware is provided for the purpose of illustrating environmental structure; whereas all other broken lines showing elements of the graphical user interface are provided for the purpose of illustrating portions of the article. No subject matter shown in broken lines form part of the claimed design.
