(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing my new design.

The even-length broken line showing of the text and the icons illustrate portions of the graphical user interface and form no part of the claimed design. The even-length broken line showing of an electronic device illustrates environmental structures and forms no part of the claimed design. The uneven-length broken line illustrates the display screen and forms no part of the claimed design.
