(57) **CLAIM**  
The ornamental design for an injectable medication cooperating color encoded syringe, as shown and described.

**DESCRIPTION**

FIG. 1 is a side elevational view of an injectable medication cooperating color encoded syringe showing my new design; and,  
FIG. 2 is an enlarged view of the selected area of FIG. 1. Any portion of any figure shown in broken lines are for environmental purposes only and form no part of the claimed design.
