(57) **CLAIM**

The ornamental design for a cellular phone including pair of interchangeable components, as shown and described.

DESCRIPTION

FIG. 1 is a front, right side, perspective view of a cellular phone including pair of interchangeable components showing our new design;

FIG. 2 is a front view thereof;

FIG. 3 is a rear view thereof;

FIG. 4 is a left side view thereof;

FIG. 5 is a right side view thereof;

FIG. 6 is a top view thereof;

FIG. 7 is a bottom view thereof;

FIG. 8 is a front, right side, perspective view thereof in an open state, with a central component omitted to enable illustration of the interior panel of the outer housing;

FIG. 9 is a front, right side, perspective view thereof with the speaker pack, which is inserted between the front display and the rear body, partially removed; and,

FIG. 10 is a rear perspective view thereof with the battery pack, which is inserted between the front display and the rear body, partially inserted.

The broken lines shown in the figures that are immediately adjacent to the shaded areas and define unshaded regions represent the bounds of the claim. All other broken lines, i.e. the features within broken line boundaries, are directed to environment. The broken lines form no part of the claimed design.

1 Claim, 9 Drawing Sheets
