(57) **CLAIM**

The ornamental design for a tire sidewall, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a tire sidewall showing my new design. In the drawings, it is understood that the claimed design is flat and planar; the broken line showing of the tire tread, inner bead and the peripheral boundary between the tire tread and the sidewall in the sole FIGURE depict environmental subject matter and form no part of the claim.
