(57) **CLAIM**
The ornamental design for a display screen with transitional graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first image of a display screen with transitional graphical user interface showing my design; FIG. 2 is a front view of a second image thereof; FIG. 3 is a front view of a third image thereof; FIG. 4 is a front view of a fourth image thereof; and, FIG. 5 is a front view of a fifth image thereof. The appearance of the image transitions sequentially between the images shown in FIGS. 1-5. The process or period in which an image transitions to another forms no part of the claimed design. The broken lines shown in FIGS. 1-5 represent portions of the display screen with transitional graphical user interface that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
