FIG. 1 is a rear elevational view of a tail light for motorcycles showing my new design;
FIG. 2 is a left side elevational view thereof;
FIG. 3 is a right side elevational view thereof; and,
FIG. 4 is a rear right perspective view thereof.

The claimed design is a tail light for motorcycles, the portions of which are shown in solid lines in the drawings, and the broken line portions are provided for the purpose of illustrating an adjacent portion of the motorcycle and form no part of the claimed design.

See application file for complete search history.
