(57) **CLAIM**

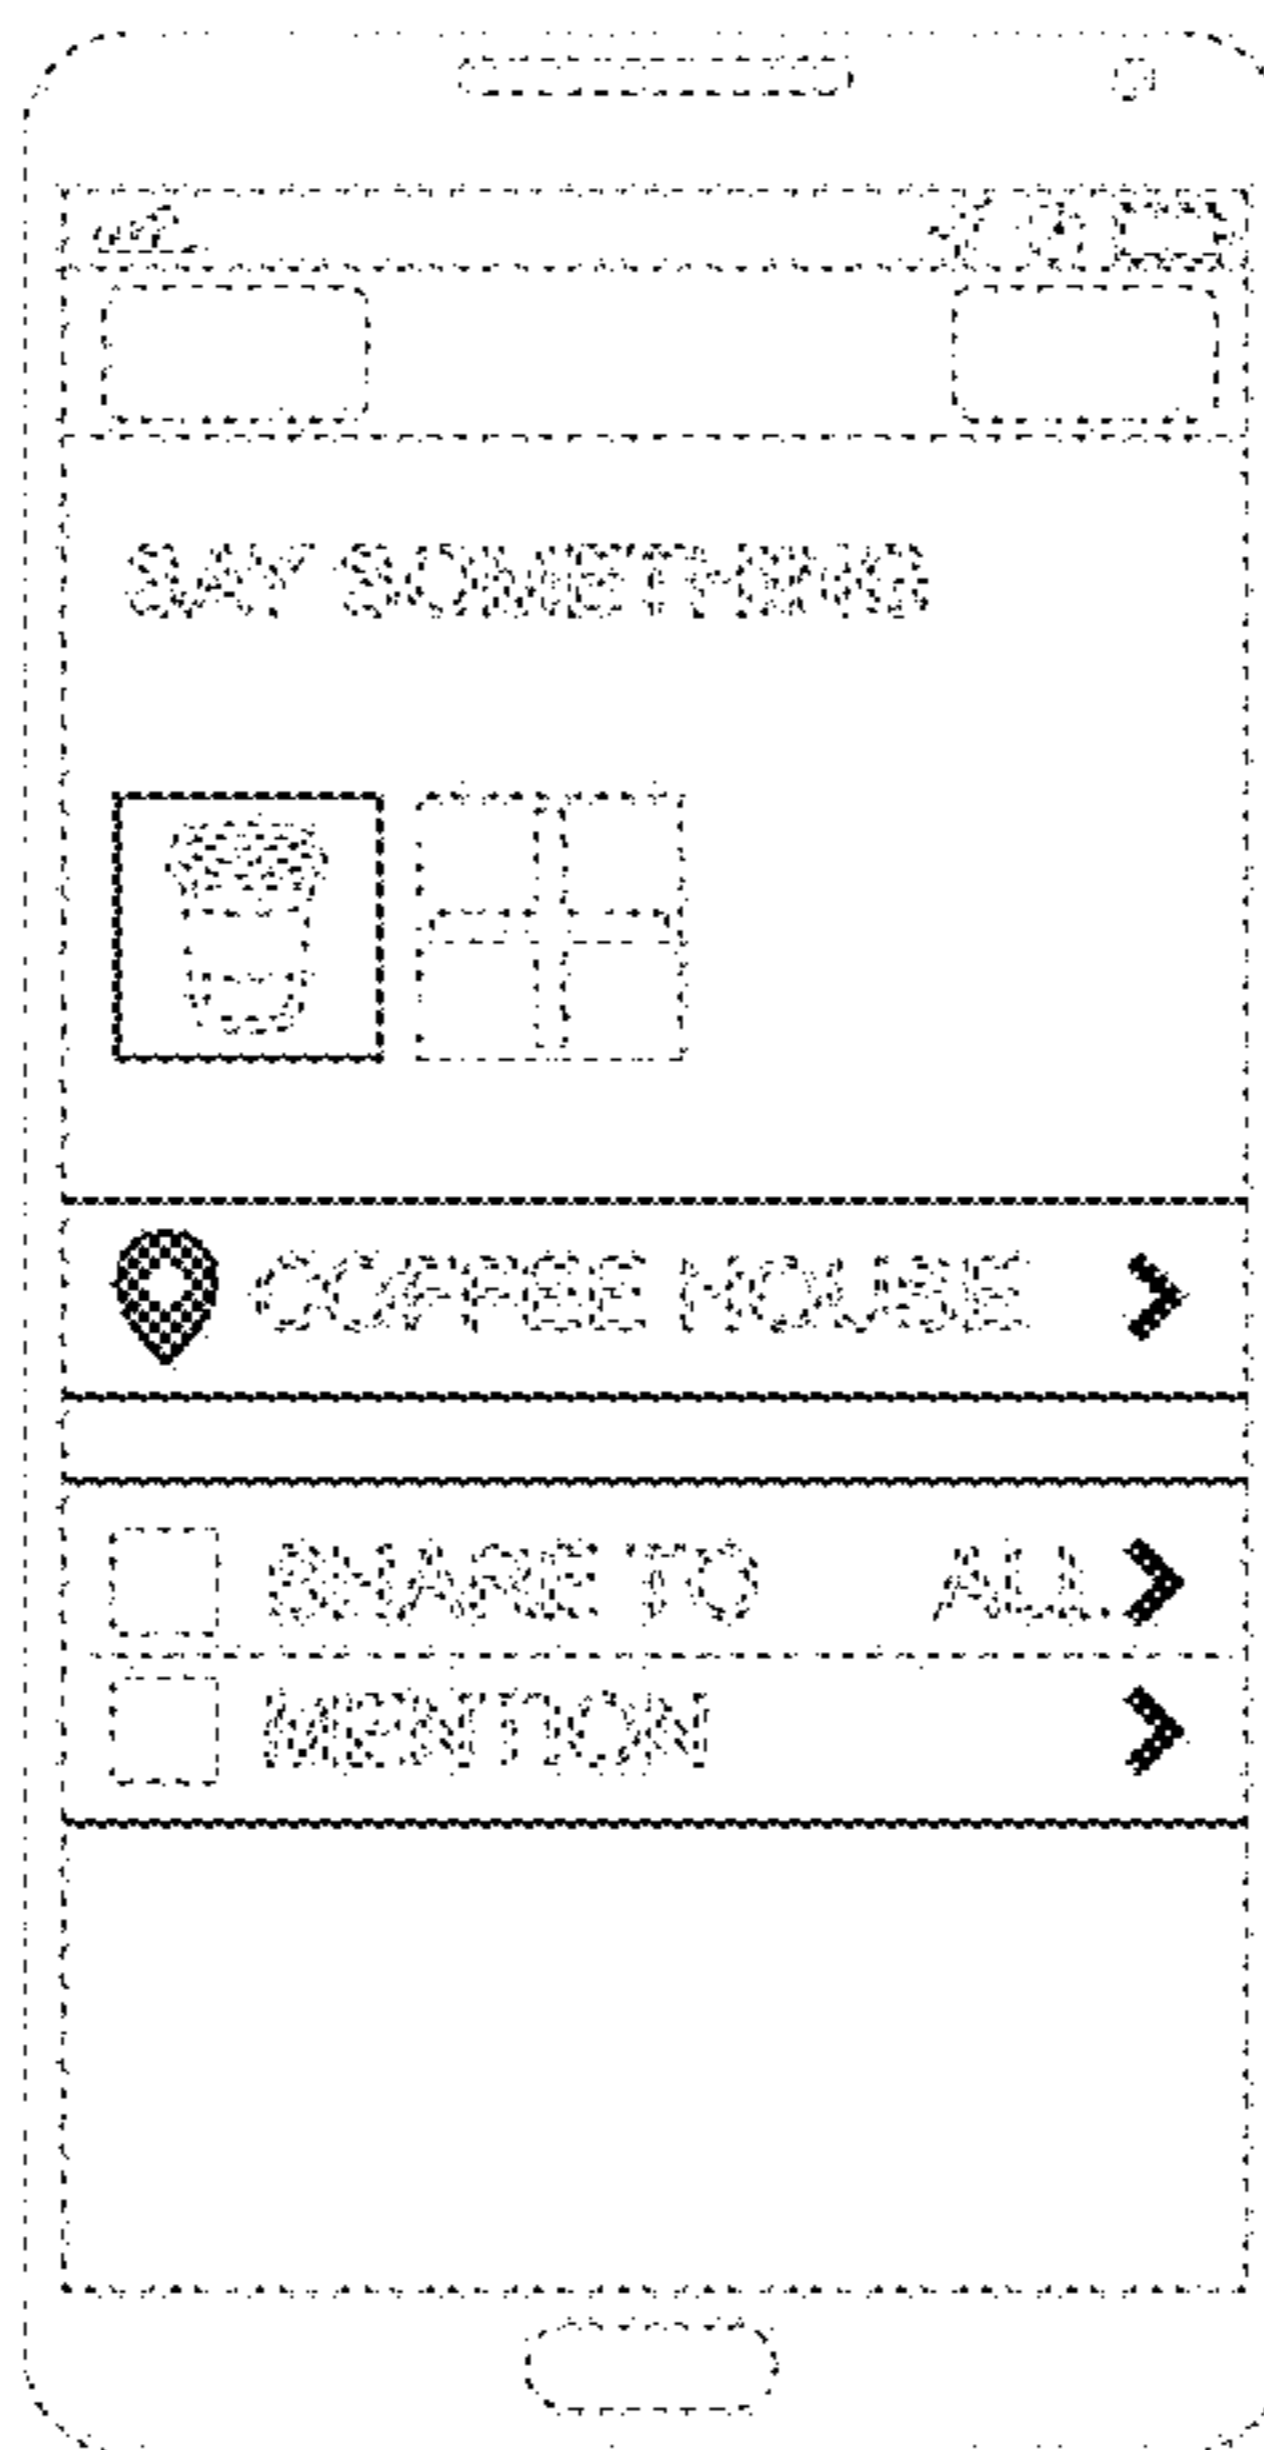

The ornamental design for a portion of a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a portion of a display screen with graphical user interface showing my new design.

The broken line showing of a portion of a display screen in The FIGURE forms no part of the claimed design. The broken line showing of text and portions of the graphical user interface in The FIGURE represents environmental subject matter and forms no part of the claimed design. The greyscale fill shown in The FIGURE indicates that the greyscale filled area is of a contrasting appearance than the circular area located within the greyscale filled area.
