(57) **CLAIM**

What is claimed is the ornamental design for a display screen with graphical user interface, as shown and described.

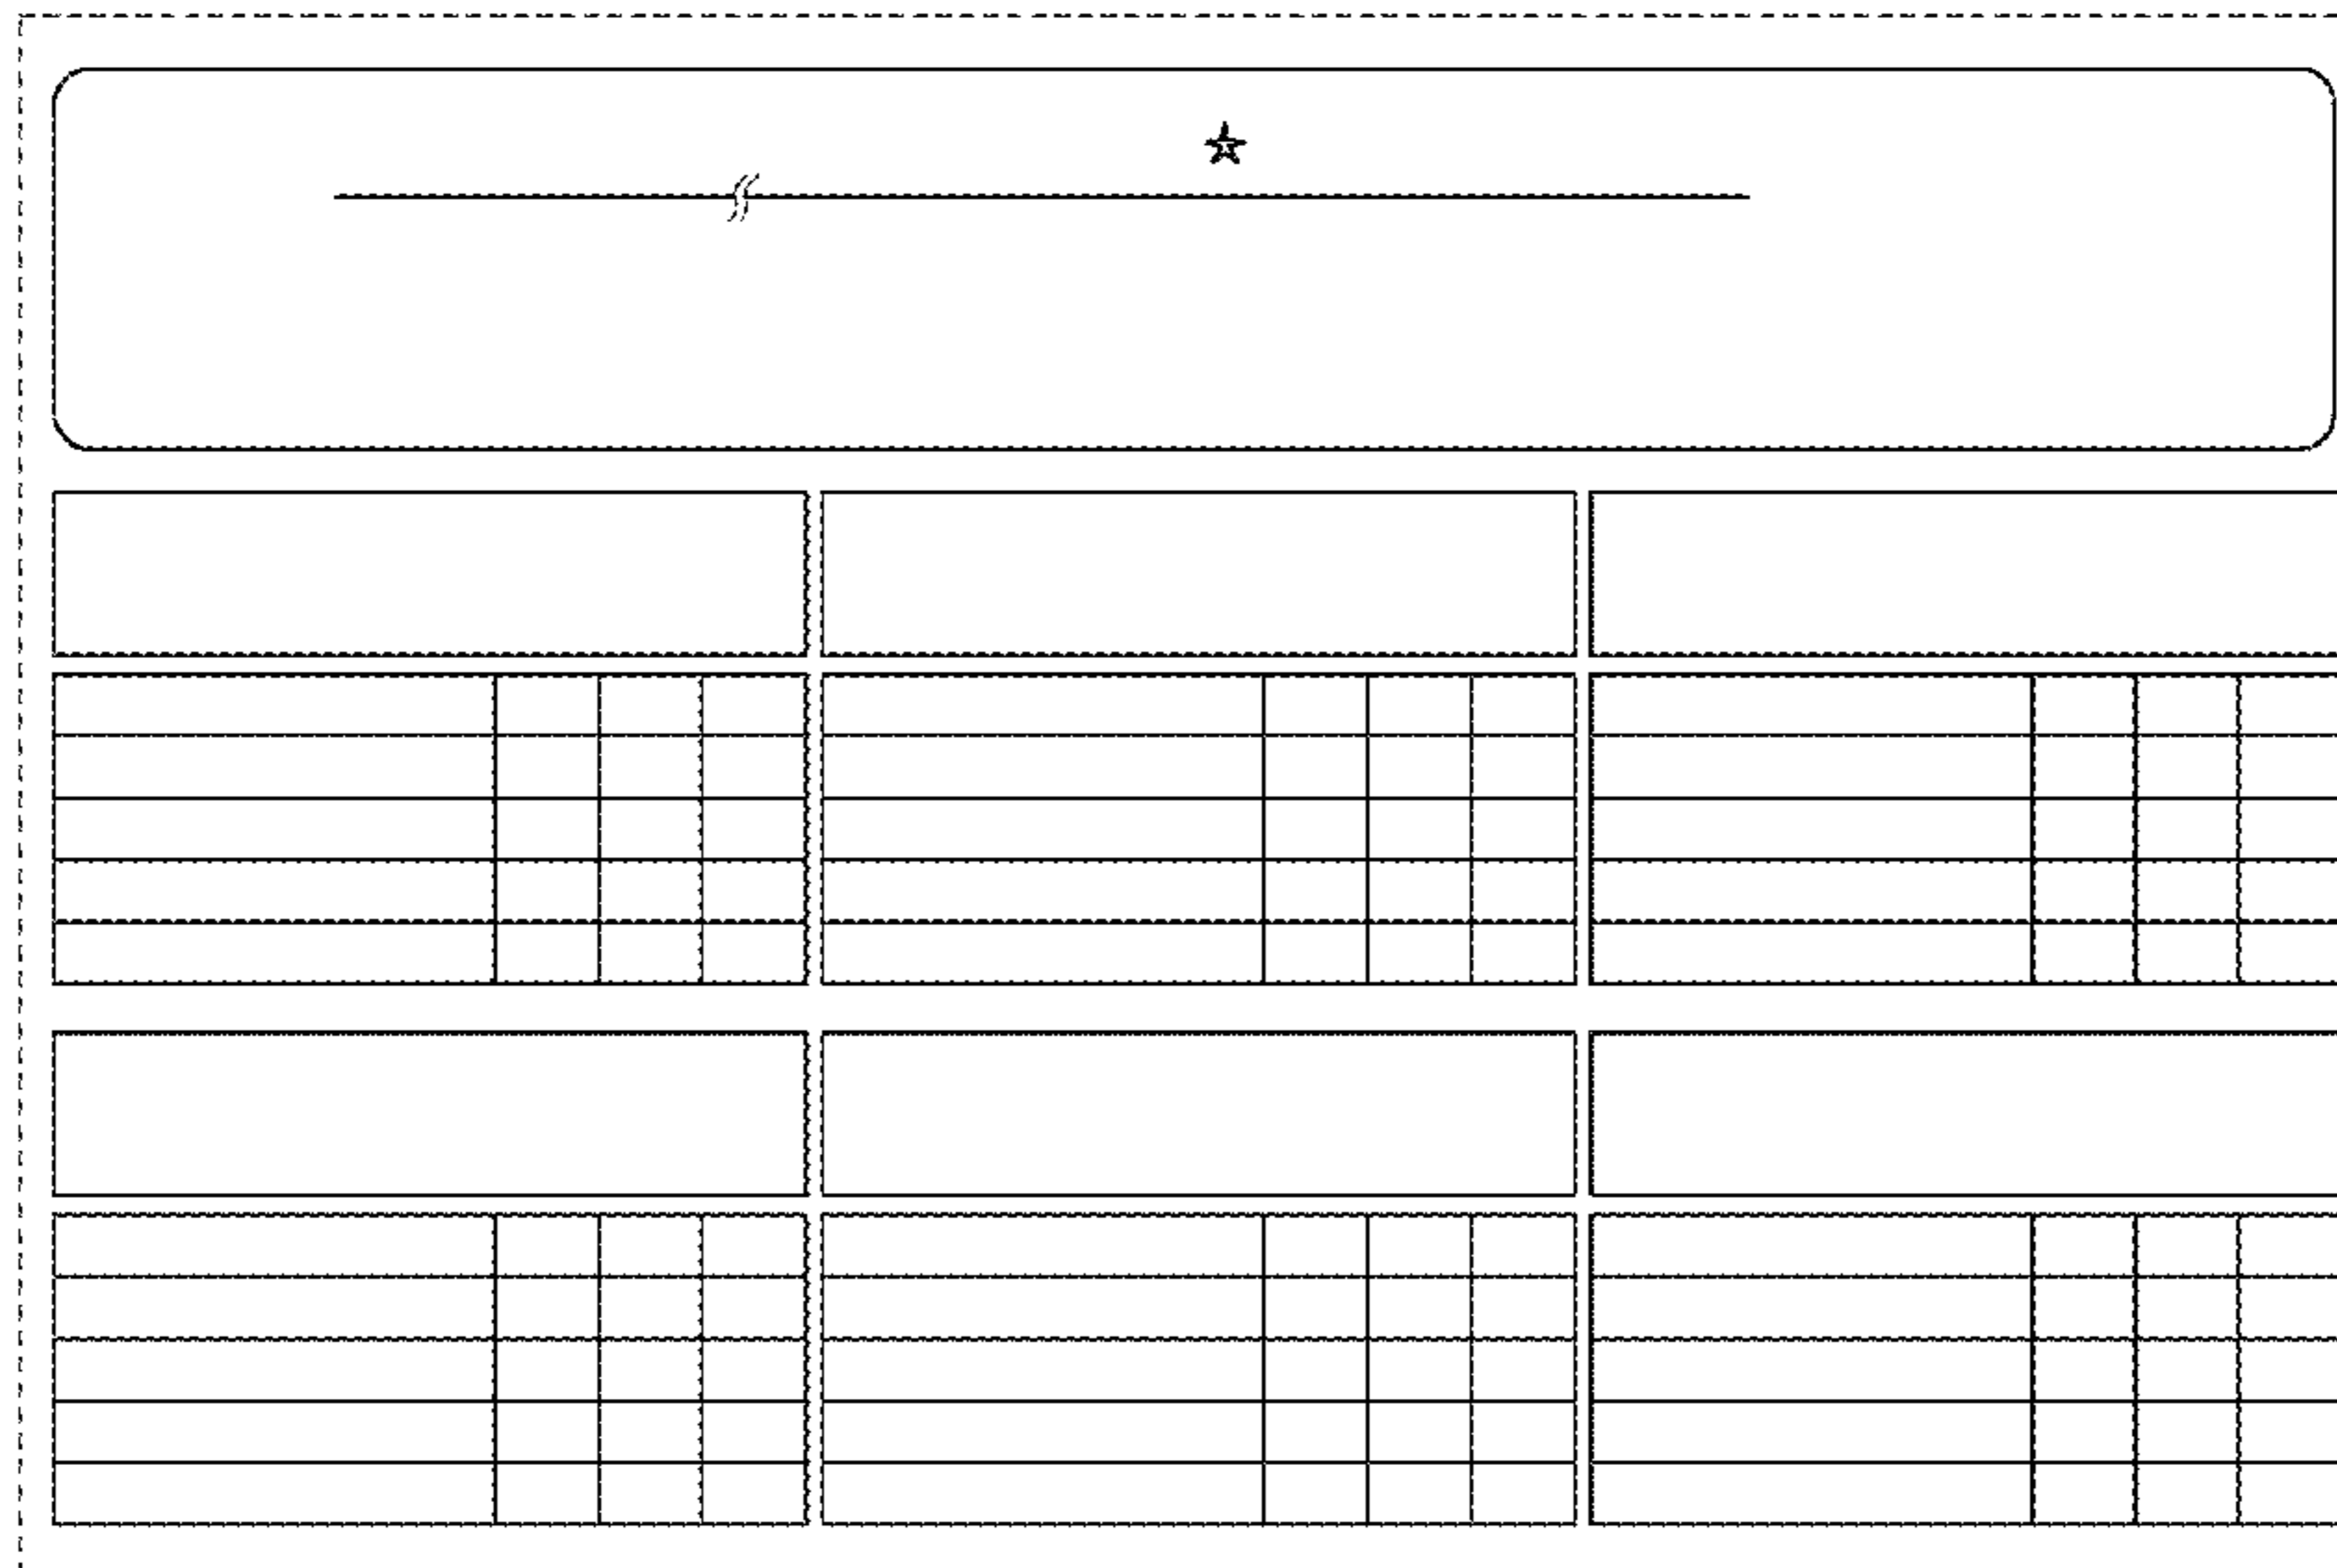

DESCRIPTION

The sole FIGURE is a front view of a display screen with graphical user interface.

The graphical user interface includes a symbolic break in a portion of the interface. The appearance of the graphical user interface between the break lines forms no part of the claimed design.

The broken lines showing a display screen illustrate portions of the article, and form no part of the claimed design.
