(57) **CLAIM**

The ornamental design for a cab and rear fender for a backhoe loader, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, right-side, and top view of a cab and rear fender for a backhoe loader showing one embodiment of the new design.

FIG. 2 is a front elevation view of the cab and rear fender for a backhoe loader.

FIG. 3 is a rear elevation view of the cab and rear fender for a backhoe loader.

FIG. 4 is a front elevation view showing the placement of the cab and rear fender on the hood of a backhoe loader.

FIG. 5 is a top plan view of the cab and rear fender of a backhoe loader.

FIG. 6 is a front, left-side, and top view of the cab and rear fender of a backhoe loader.

FIG. 7 is a right-side elevation view showing the placement of the cab and rear fender on a backhoe loader; and,

FIG. 8 is a left-side elevation view showing the placement of the cab and rear fender on a backhoe loader.

The broken lines represent environmental structure and form no part of the claimed design.

Any elements that are not clearly disclosed are not part of the claimed design.
