(57) **CLAIM**

We claim the ornamental design of a solebar for a railway vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a solebar for a railway vehicle showing our new design;

FIG. 2 is an underside perspective view of the solebar for a railway vehicle of FIG. 1;

FIG. 3 is an end view of the solebar for a railway vehicle of FIG. 1;

FIG. 4 is left side elevation view of the solebar for a railway vehicle of FIG. 1; and,

FIG. 5 is another perspective view of the solebar for a railway vehicle of FIG. 1.

The broken lines shown in the drawings are for the purpose of illustrating environmental structure and portions of the article that form no part of the claimed design.
