(57) **CLAIM**

The ornamental design for a communications terminal with computer icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a communications terminal with computer icon showing features of a first embodiment of my new design; and,

FIG. 2 is a front view of a communications terminal with computer icon showing features of a second embodiment of my new design.

The ornamental design that is claimed is shown in a solid color. The dash-dash-dash broken lines illustrate environmental structure, namely, a communications terminal. All broken lines shown in the drawings form no part of the claimed design.
