(57) **CLAIM**

The ornamental design of a compression garment with openings, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a compression garment with openings in the compression garment.
FIG. 2 is a front view of the compression garment with openings.
FIG. 3 is a rear view of the compression garment.
FIG. 4 is an enlarged, fragmentary perspective view of the compression garment showing one of the openings; and,
FIG. 5 is an enlarged, fragmentary front view of the compression garment showing one of the openings.
The elements shown in phantom form no part of the claimed design.
