(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with graphical user interface showing my new design. The outermost broken line perimeter showing the display screen and the broken lines showing portions of the graphical user interface, including the broken line letters and curvy broken lines, are provided for the purpose of illustrating a display panel with portions of a graphical user interface and forms no part of the claimed design.
