The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The dashed broken lines around the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The dashed broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design. The dot-dash lines in the FIGURE and the areas within the dot-dash lines show portions of the graphical user interface that form no part of the claimed design.
