(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical interface, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with graphical user interface showing our new design; FIG. 2 is a front view of a second embodiment of a display screen or portion thereof with graphical user interface; FIG. 3 is a front view of a third embodiment of a display screen or portion thereof with graphical user interface; and, FIG. 4 is a front view of a fourth embodiment of a display screen or portion thereof with graphical user interface. The two outermost broken lines illustrate the display screen or portion thereof. The remaining broken lines illustrate portions of the article of manufacture. None of the broken lines form part of the claimed design.

1 Claim, 4 Drawing Sheets
