(57) **CLAIM**

The ornamental design for a locker-secured, mobile device charging kiosk, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a locker-secured, mobile device charging kiosk showing my new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a left side elevational view thereof; FIG. 4 is an upper perspective view thereof; FIG. 5 is a top plan view thereof; and, FIG. 6 is a bottom plan view thereof.

The right side of the locker-secured, mobile device charging kiosk is a mirror image of the left side elevational view thereof shown in FIG. 3.

Any shading and cross-hatching are not features of the design but are utilized to illustrate the surface contours and material of the locker-secured, mobile device charging kiosk in the drawings.
