(57) **CLAIM**

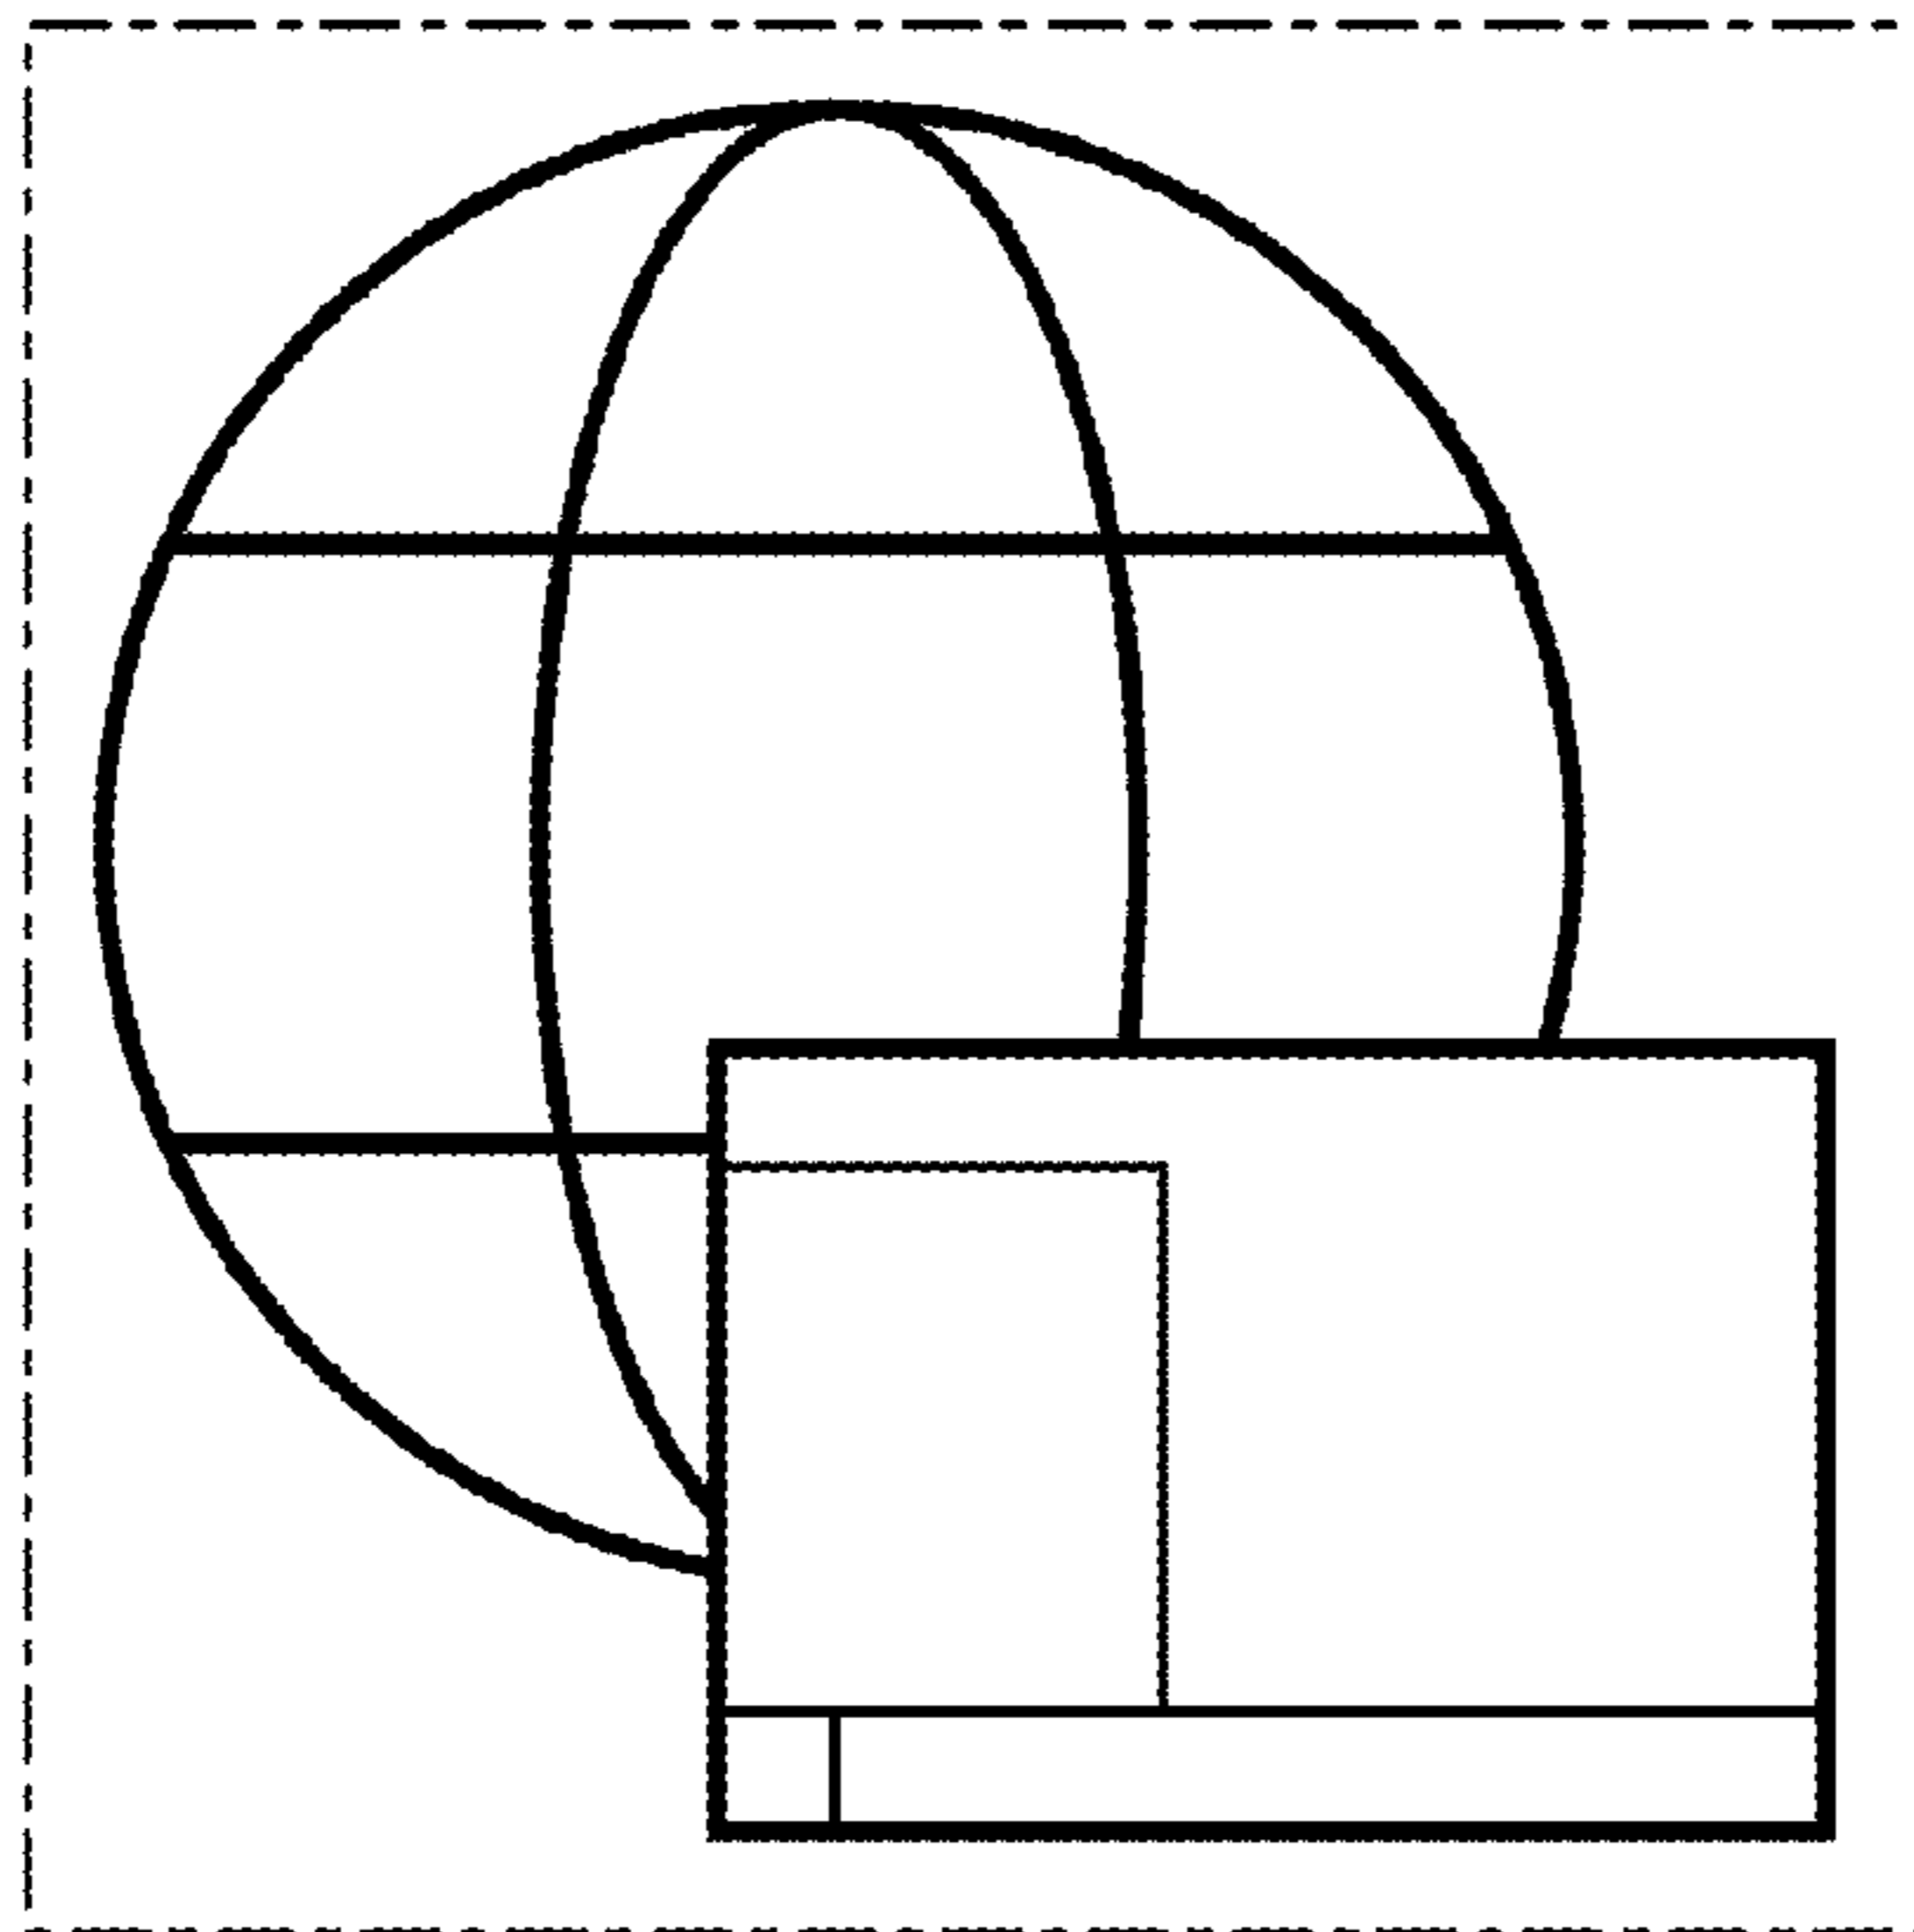

The ornamental design for a display screen with icon, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with icon showing the icon enlarged and separate for clarity; and, FIG. 2 is a front view of a display screen with icon, showing the new design.

The even-length broken line showing of the remainder of the display screen is for environmental purposes only and forms no part of the claimed design. The uneven-length broken line in FIG. 1 forms the boundary of the region shown in FIG. 2, and forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
