Primary Examiner — Rhea Shields

(57) **CLAIM**

The ornamental design for an electrosurgical generator, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electrosurgical generator in accordance with the present design;
FIG. 2 is a right side view of the electrosurgical generator thereof;
FIG. 3 is a left side view of the electrosurgical generator thereof;
FIG. 4 is a front elevational view of the electrosurgical generator thereof;
FIG. 5 is a rear elevational view of the electrosurgical generator thereof;
FIG. 6 is a top plan view of the electrosurgical generator thereof; and,
FIG. 7 is a bottom plan view of the electrosurgical generator thereof.
The broken lines shown in the drawings illustrate portions of the electrosurgical generator that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
