(57) **CLAIM**

The ornamental design for a cable management station, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view showing my new design for a cable management station and further illustrating a top side of my new design.  
FIG. 2 is a perspective view of the station shown in FIG. 1.  
FIG. 3 is a top perspective view of my new design and further illustrating a second, opposite side of the design.  
FIG. 4 is a top perspective view of the station of FIG. 3.  
FIG. 5 is a perspective view of my new design with a magnetic charging cable used for charging an electronic device shown in broken lines to illustrate the environment of the claimed design and forms no part thereof.  
FIG. 6 is a perspective view of the device shown in FIG. 5, with the magnetic charging cable shown in broken lines to illustrate the environment of the claimed design and forms no part thereof.  
FIG. 7 is a side view of the station with the cable shown in broken lines to illustrate the environment of the claimed design and forms no part thereof.  
FIG. 8 is a bottom perspective view of the station of FIG. 1; and,  
FIG. 9 is a bottom view of my design.
