(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interfaces, as shown and described.

DESCRIPTION

The sole FIGURE is a display screen or portion thereof with graphical user interfaces showing our new design. The broken line rectangle around each image illustrates portions of the display screen or portion thereof with graphical user interfaces which form no part of the claimed design. The portions of the display screen or portion thereof with graphical user interfaces are arranged relatively on the drawing sheet for convenience of display and their relative positioning forms no part of the claimed design.
