(57) **CLAIM**

The ornamental design for a cord lock with screw in base feature, as shown and described.

**DESCRIPTION**

FIG. 1 is a front, right side isometric top view of the cord lock with screw in base feature embodying my new design; FIG. 2 is a top view thereof; FIG. 3 is a front view thereof, the rear view being a mirror image thereof; FIG. 4 is a right side view thereof, the left side view being a mirror image thereof; FIG. 5 is a bottom view thereof; and, FIG. 6 is a front, left side isometric bottom view thereof. The broken lines shown represent machined subject matter and form no part of the claimed design.
