(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design; FIG. 2 is a front view of a second embodiment of FIG. 1; and, FIG. 3 is a front view thereof, shown in an alternate environment.

The broken lines showing a display screen or portion thereof form no part of the claimed design. The broken lines shown on the graphical user interface form no part of the claimed design. The different shades of gray are intended to show contrasting appearances of the different areas of each figure.
