We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

See application file for complete search history.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

(56) **References Cited**

The outer broken lines show the display screen or portion thereof and form no part of the claimed design. The broken lines show unclaimed portions of the graphical user interface; the broken lines form no part of the claimed design.
