(57) **CLAIM**

The ornamental design for a portable ice fishing and camp-
ing shelter, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the shelter of this invention
with the broken lines being stitching;
FIG. 2 is a top view of the shelter of this invention;
FIG. 3 is a bottom view of the shelter of this invention with
the broken lines being stitching;
FIG. 4 is a front view of the shelter of this invention with the
broken lines being stitching;
FIG. 5 is a rear view of the shelter of this invention with the
broken lines being stitching; and,
FIG. 6 is a right side view of the shelter of this invention
with the left side of the shelter of this invention being a
mirror image of the right side of the shelter.
The broken lines form no part of the claim.
