(57) **CLAIM**

The ornamental design for an instrument cluster, as shown and described.

DESCRIPTION

FIG. 1 is an perspective view illustrating the instrument cluster;

FIG. 2 is front view of the instrument cluster;

FIG. 3 is a rear view of the instrument cluster;

FIG. 4 is a right view of the instrument cluster;

FIG. 5 is a left view of the instrument cluster;

FIG. 6 is a top view of the instrument cluster; and,

FIG. 7 is a bottom view of the instrument cluster.

The rear edge of the instrument cluster is depicted by a broken line since it forms no part of the claimed design. The portions of the gauges depicted by broken lines form no part of the claimed design.
