(57) **CLAIM**

The ornamental design for a combined aircraft display and lift mechanism, as shown and described.

DESCRIPTION

FIG. 1 is a first front perspective view of a combined aircraft display and lift mechanism;

FIG. 2 is a second front perspective view thereof;

FIG. 3 is a top view thereof;

FIG. 4 is a first side view thereof;

FIG. 5 is a second side view thereof; and,

FIG. 6 is a front view thereof, the back view forming no part of the claimed design.

The combined aircraft display and lift mechanism is shown with a symbolic break in its width and height. The appearance of any portion of the article between the break lines forms no part of the claimed design.
