**DESCRIPTION**

FIG. 1 is a front perspective view of the wireless voice media gateway enclosure.  
FIG. 2 is a front elevation view of the wireless voice media gateway enclosure.  
FIG. 3 is a rear elevation view of the wireless voice media gateway enclosure.  
FIG. 4 is a right side elevation view of the wireless voice media gateway enclosure.  
FIG. 5 is a left side elevation view of the wireless voice media gateway enclosure.  
FIG. 6 is a top view of the wireless voice media gateway enclosure; and,  
FIG. 7 is a bottom view of the wireless voice media gateway enclosure.

The enclosed broken lines immediately adjacent the claim represent the bounds of the claimed design while all other
