(57) **CLAIM**

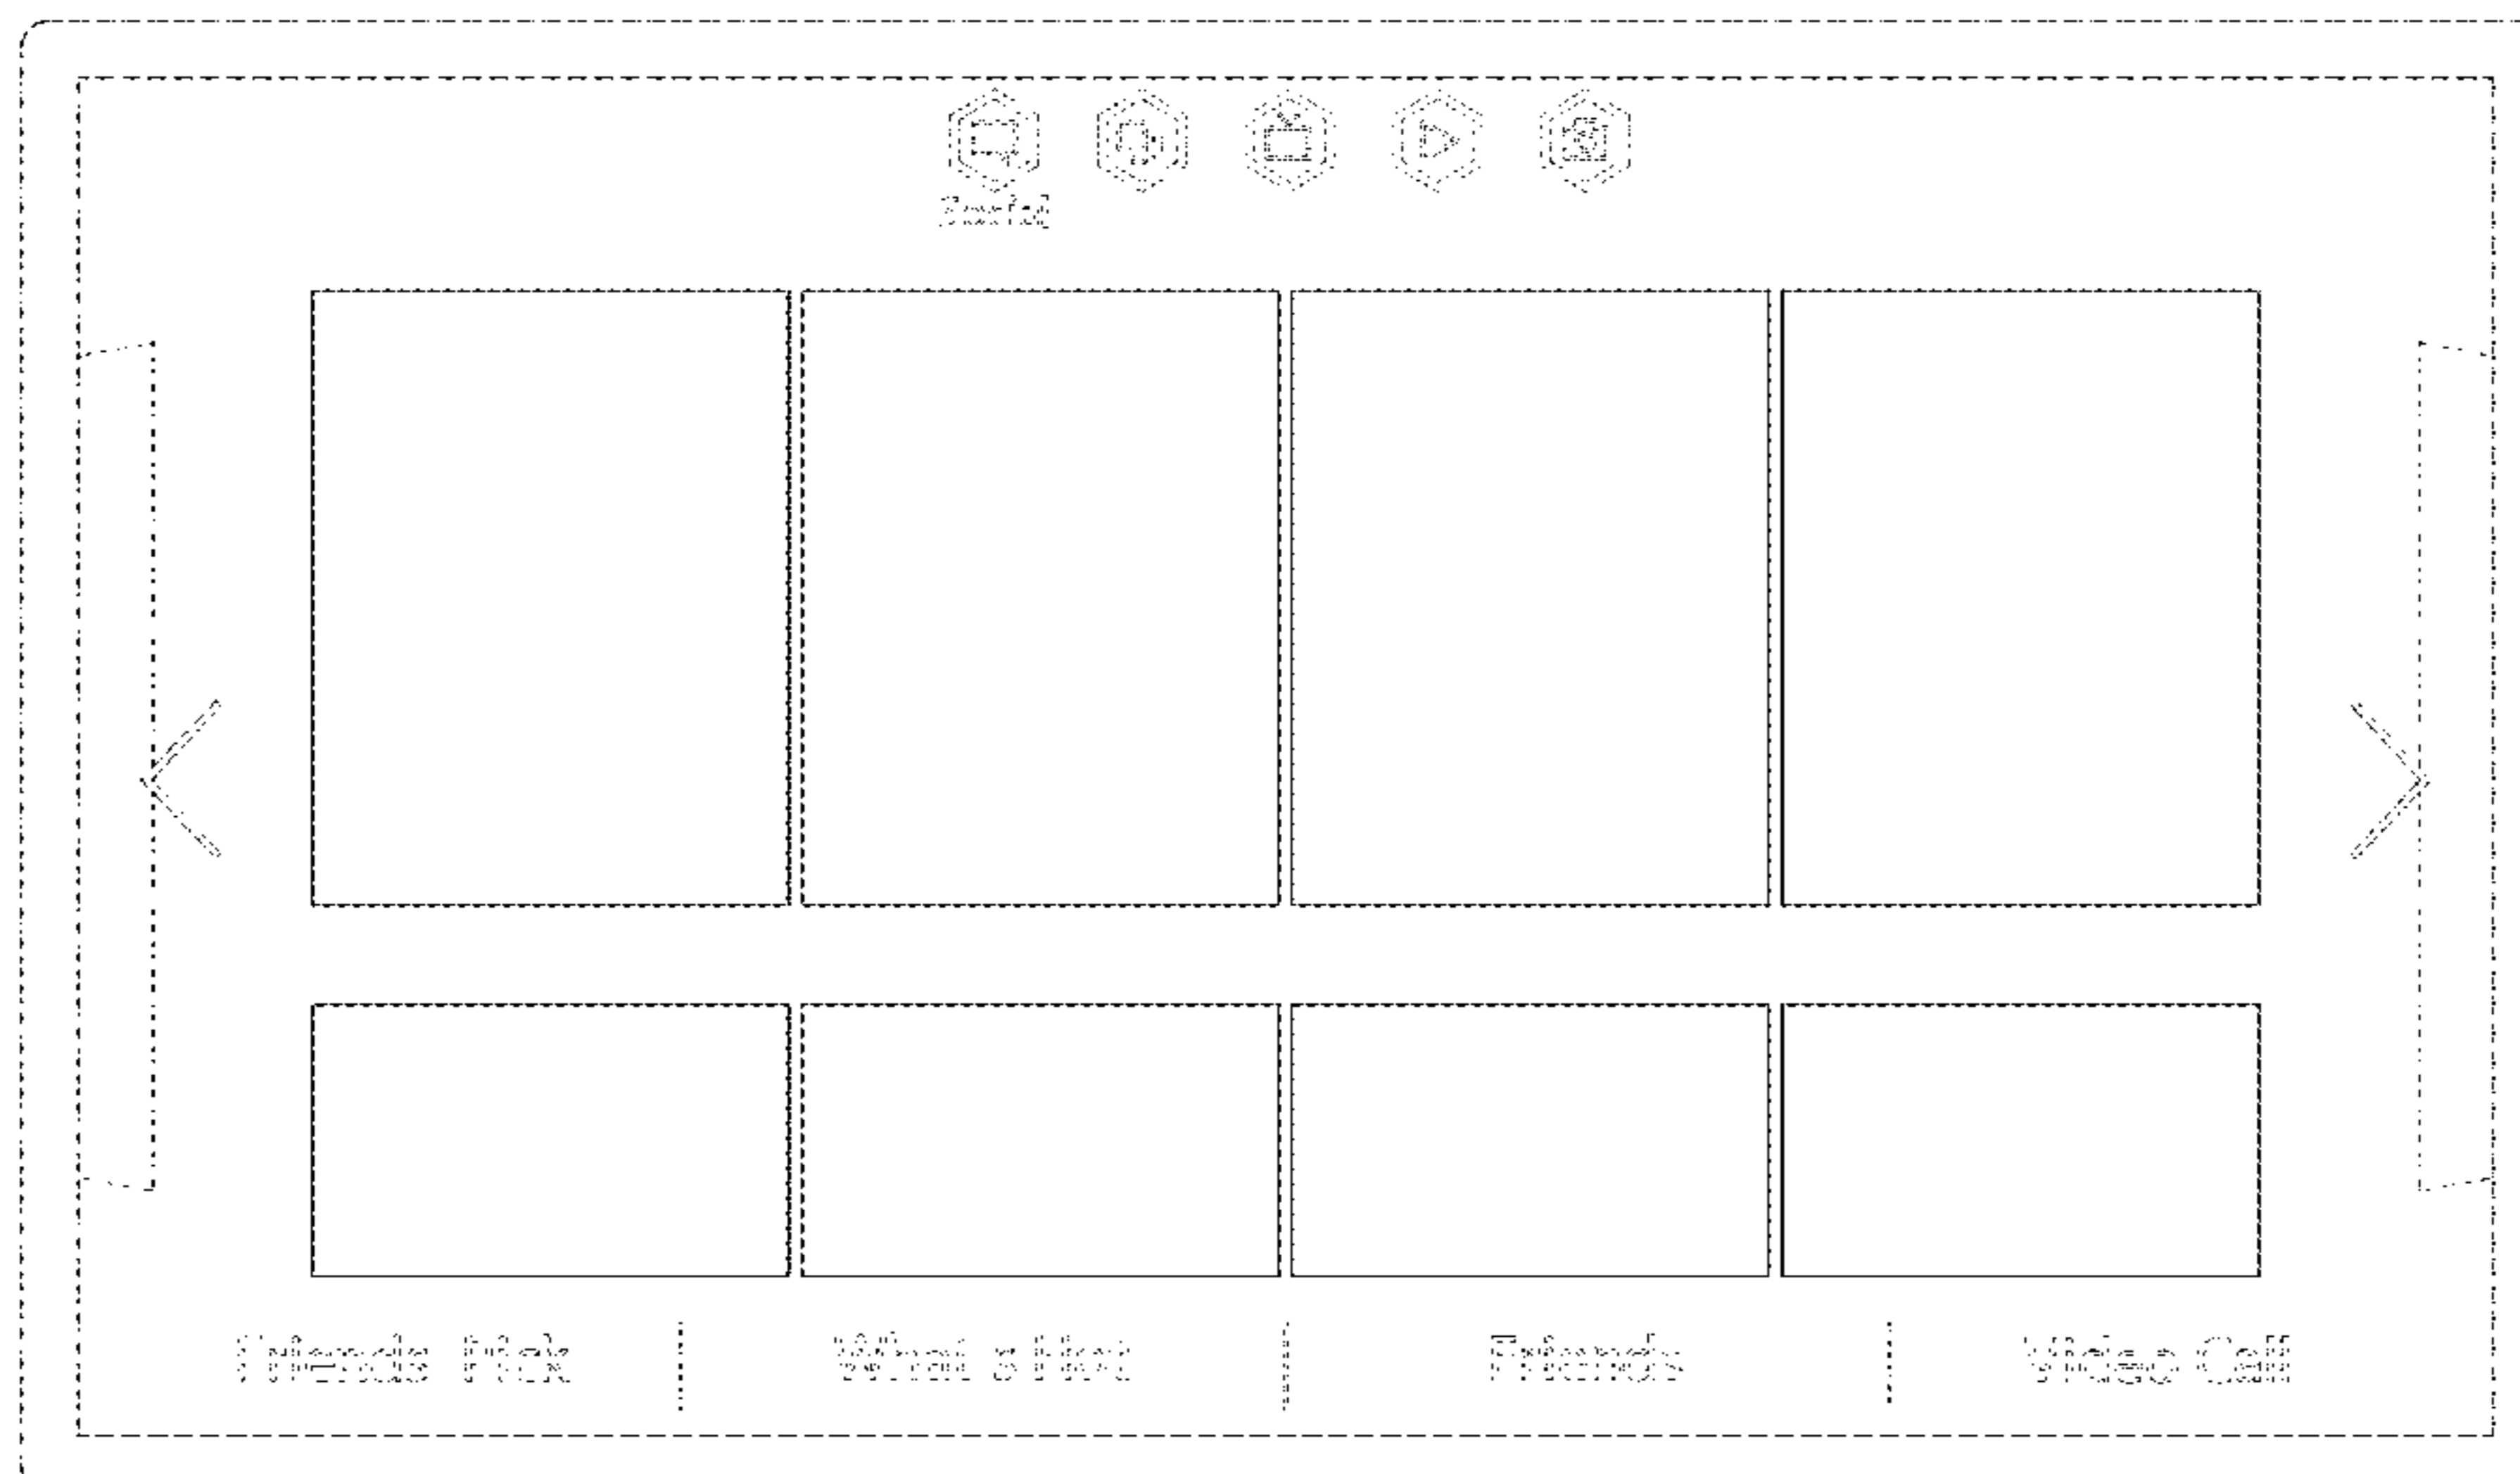

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken line showing of the display device is for the purpose of illustrating environmental structure and forms no part of the claimed design. The broken lines showing the display screen with a graphical user interface illustrates portions of the article that form no part of the claimed design.
