(57) **CLAIM**

The ornamental design for a gasket having raised sealing surface pattern, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the gasket having raised sealing surface pattern;

FIG. 2 is a top plan view of the gasket, which is identical to a bottom plan view of the gasket having raised sealing surface pattern;

FIG. 3 is a front side elevation view of the gasket, which is identical to a rear side elevation view of the gasket having raised sealing surface pattern; and,

FIG. 4 is a right side elevation view of the gasket, which is identical to a left side elevation view of the gasket having raised sealing surface pattern.

1 Claim, 3 Drawing Sheets
