DESCRIPTION

FIG. 1 is a perspective top view of an electronic probe handle with the electronic probe head used with said electronic probe handle shown in phantom lines;

FIG. 2 is a top planar view of the electronic probe handle of FIG. 1; and,

FIG. 3 is a right side view of the electronic probe handle of FIG. 1. the left side view being a mirror image thereof.

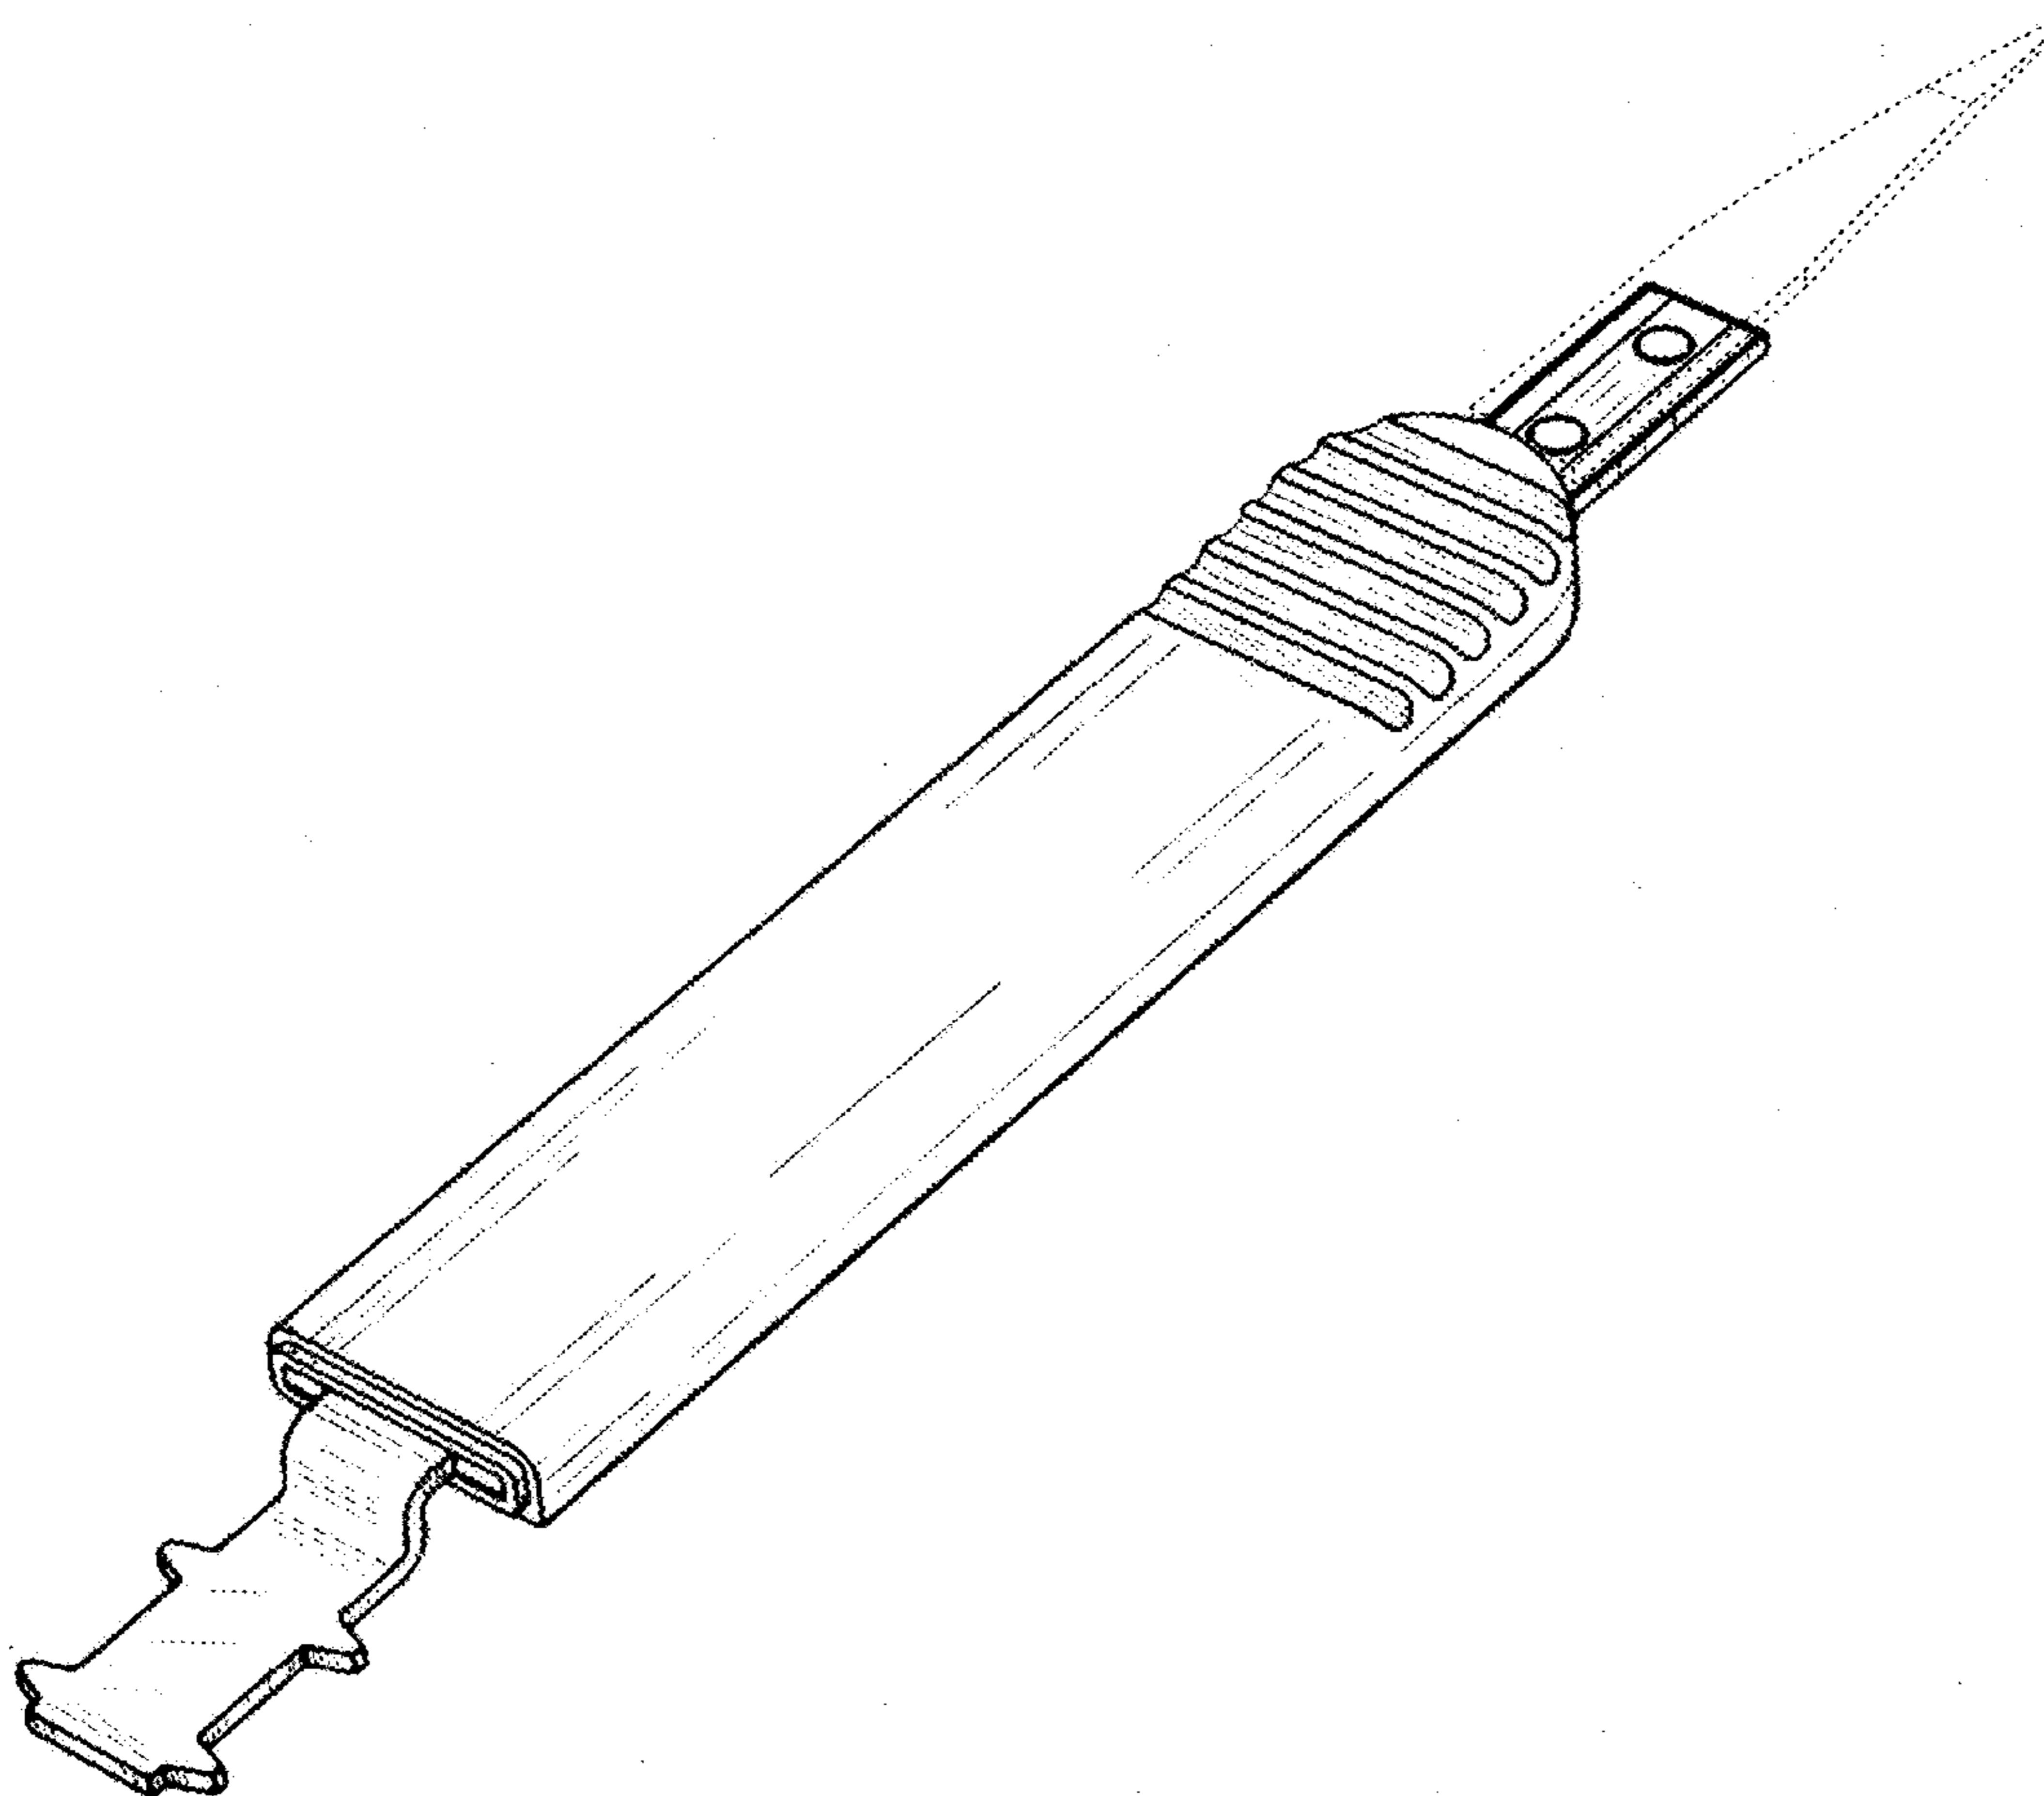

The broken lines are included for the purpose of illustrating a portion of the electronic probe handle that form no part of the claimed design.
