(57) **CLAIM**
I claim the ornamental design for the book binding machine, as shown and described.

DESCRIPTION
FIG. 1 is a right side view of the book binding machine; FIG. 2 is a top view of the book binding machine; FIG. 3 is a rear view of the book binding machine; FIG. 4 is a bottom view of the book binding machine; FIG. 5 is a left rear perspective view of the book binding machine; FIG. 6 is a right front perspective view of the book binding machine; FIG. 7 is a right rear perspective view of the book binding machine where a blade guard is shown in a bottom facing position; and, FIG. 8 is a left front perspective view of the book binding machine where the blade guard is shown in a front facing position.
The broken lines shown in the views are included for the purpose of illustrating portions of the bookbinding machine that form no part of the claimed design.

1 Claim, 8 Drawing Sheets
