See application file for complete search history.

The patent or application file contains at least one drawing/ photograph executed in color. Copies of this patent or patent application publication with color drawing(s)/photograph(s) will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of an arrow shaft showing our new design, the arrow shaft being made of polymer, plastics, or fiber reinforced composite materials with bamboo image thereon. A rear view, a top view, and a bottom view of the arrow shaft are basically the same.

The broken lines in the sole drawing view illustrate portions of the arrow shaft which form no part of the claimed design. The ends of the shaft indicate no specific length.
