(57) **CLAIM**

The ornamental design for a combination ceiling fan and light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combination ceiling fan and light fixture in accordance with my design;
FIG. 2 is a top plan view of the combination ceiling fan and light fixture in accordance with my design;
FIG. 3 is a bottom plan view of the combination ceiling fan and light fixture in accordance with my design;
FIG. 4 is a front elevation view of the combination ceiling fan and light fixture in accordance with my design, the rear view being identical thereto; and,
FIG. 5 is a left side elevation view of the combination ceiling fan and light fixture in accordance with my design, the opposite side view being identical thereto.
The broken-line disclosure of elements is understood to represent portions of the article in which the design is embodied, but which form no part of the claimed design.
