(57) **CLAIM**

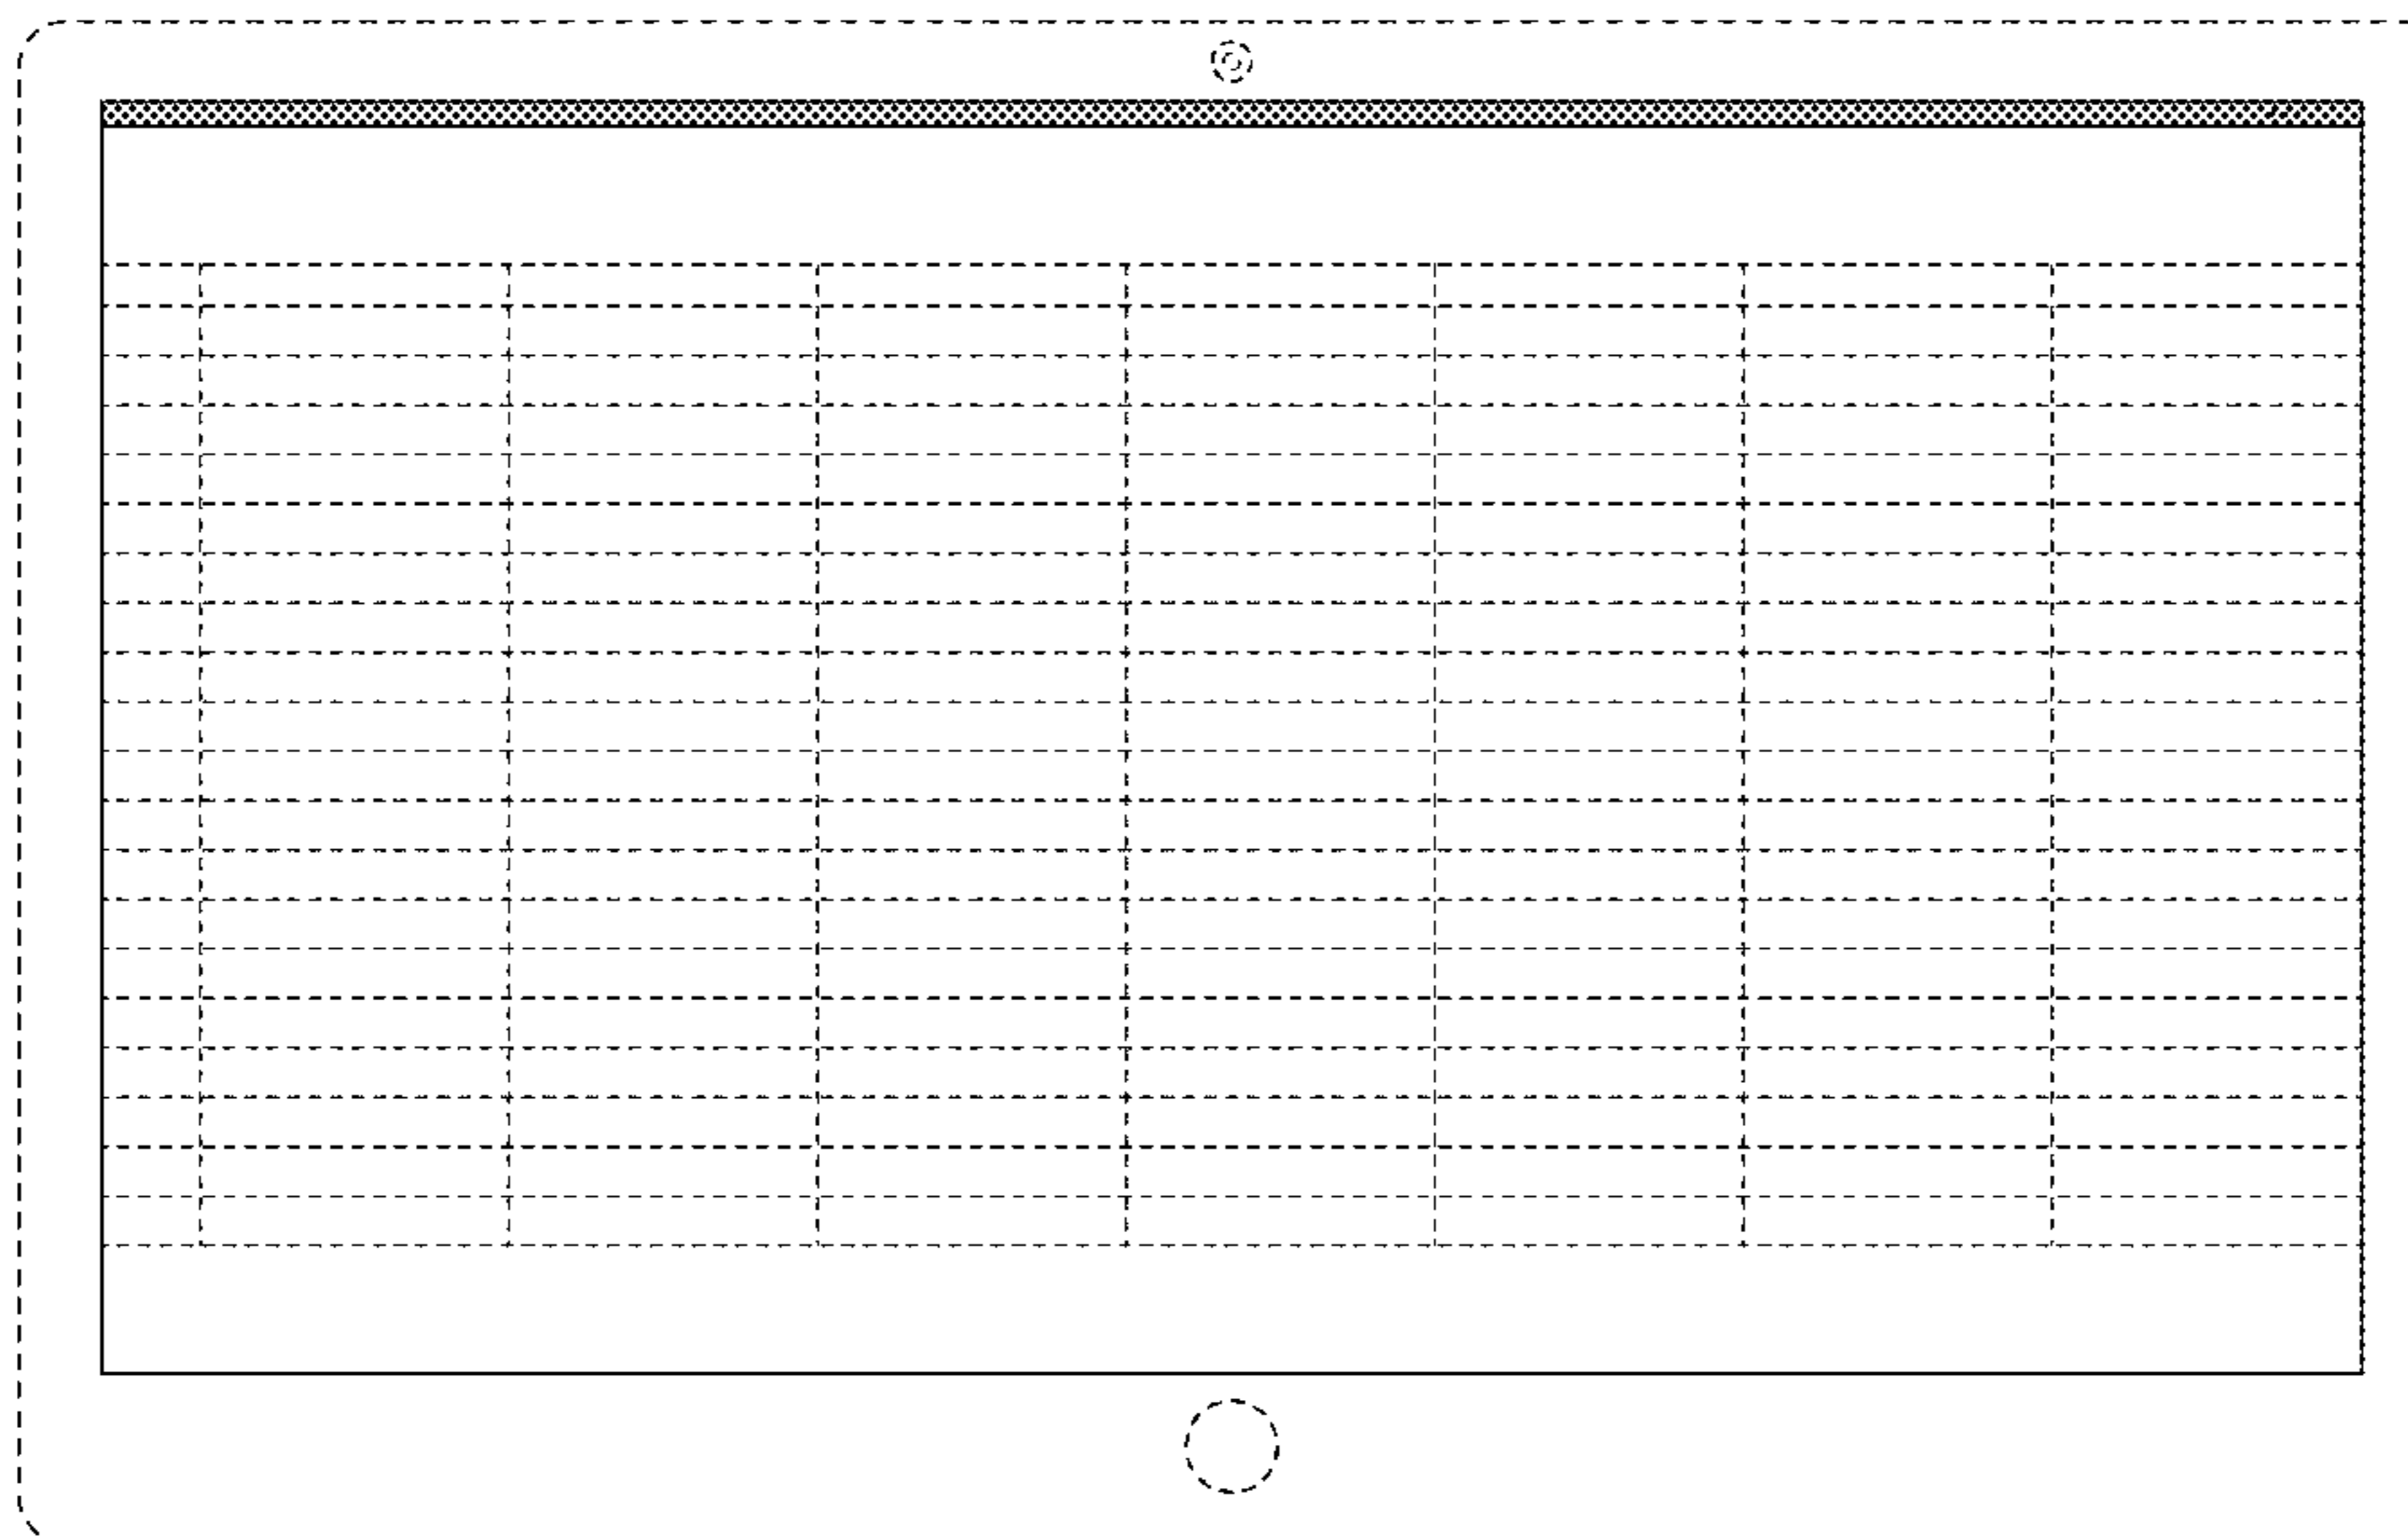

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen with graphical user interface showing my/our new design; and, FIG. 2 is a front view of a display screen with graphical user interface showing an alternative embodiment of my/our new design.

The broken line showing of the remainder of the user interface and the remainder of the display screen is for environmental purposes only and forms no part of the claimed design. The difference between the shaded and unshaded areas in the figures indicates a contrast of appearance.
