(57) **CLAIM**

The ornamental design for a right angle power bar suspender for a lighting system, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the right angle power bar suspender for a lighting system showing my new design; FIG. 2 is top plan view thereof; FIG. 3 is front elevational view thereof; the rear elevational view being a mirror image; FIG. 4 is a right side elevational view thereof; FIG. 5 is the left side elevational view thereof; and, FIG. 6 is a bottom plan view thereof.

The break lines in FIGS. 1, 3, 4 and 5 are to indicate that the appearance of any portion of the right angle power bar suspender between the break lines forms no part of the claimed design.

The remaining broken lines in the drawings are included for the purpose of illustrating portions of the article that form no part of the claimed design.
