(57) **CLAIM**

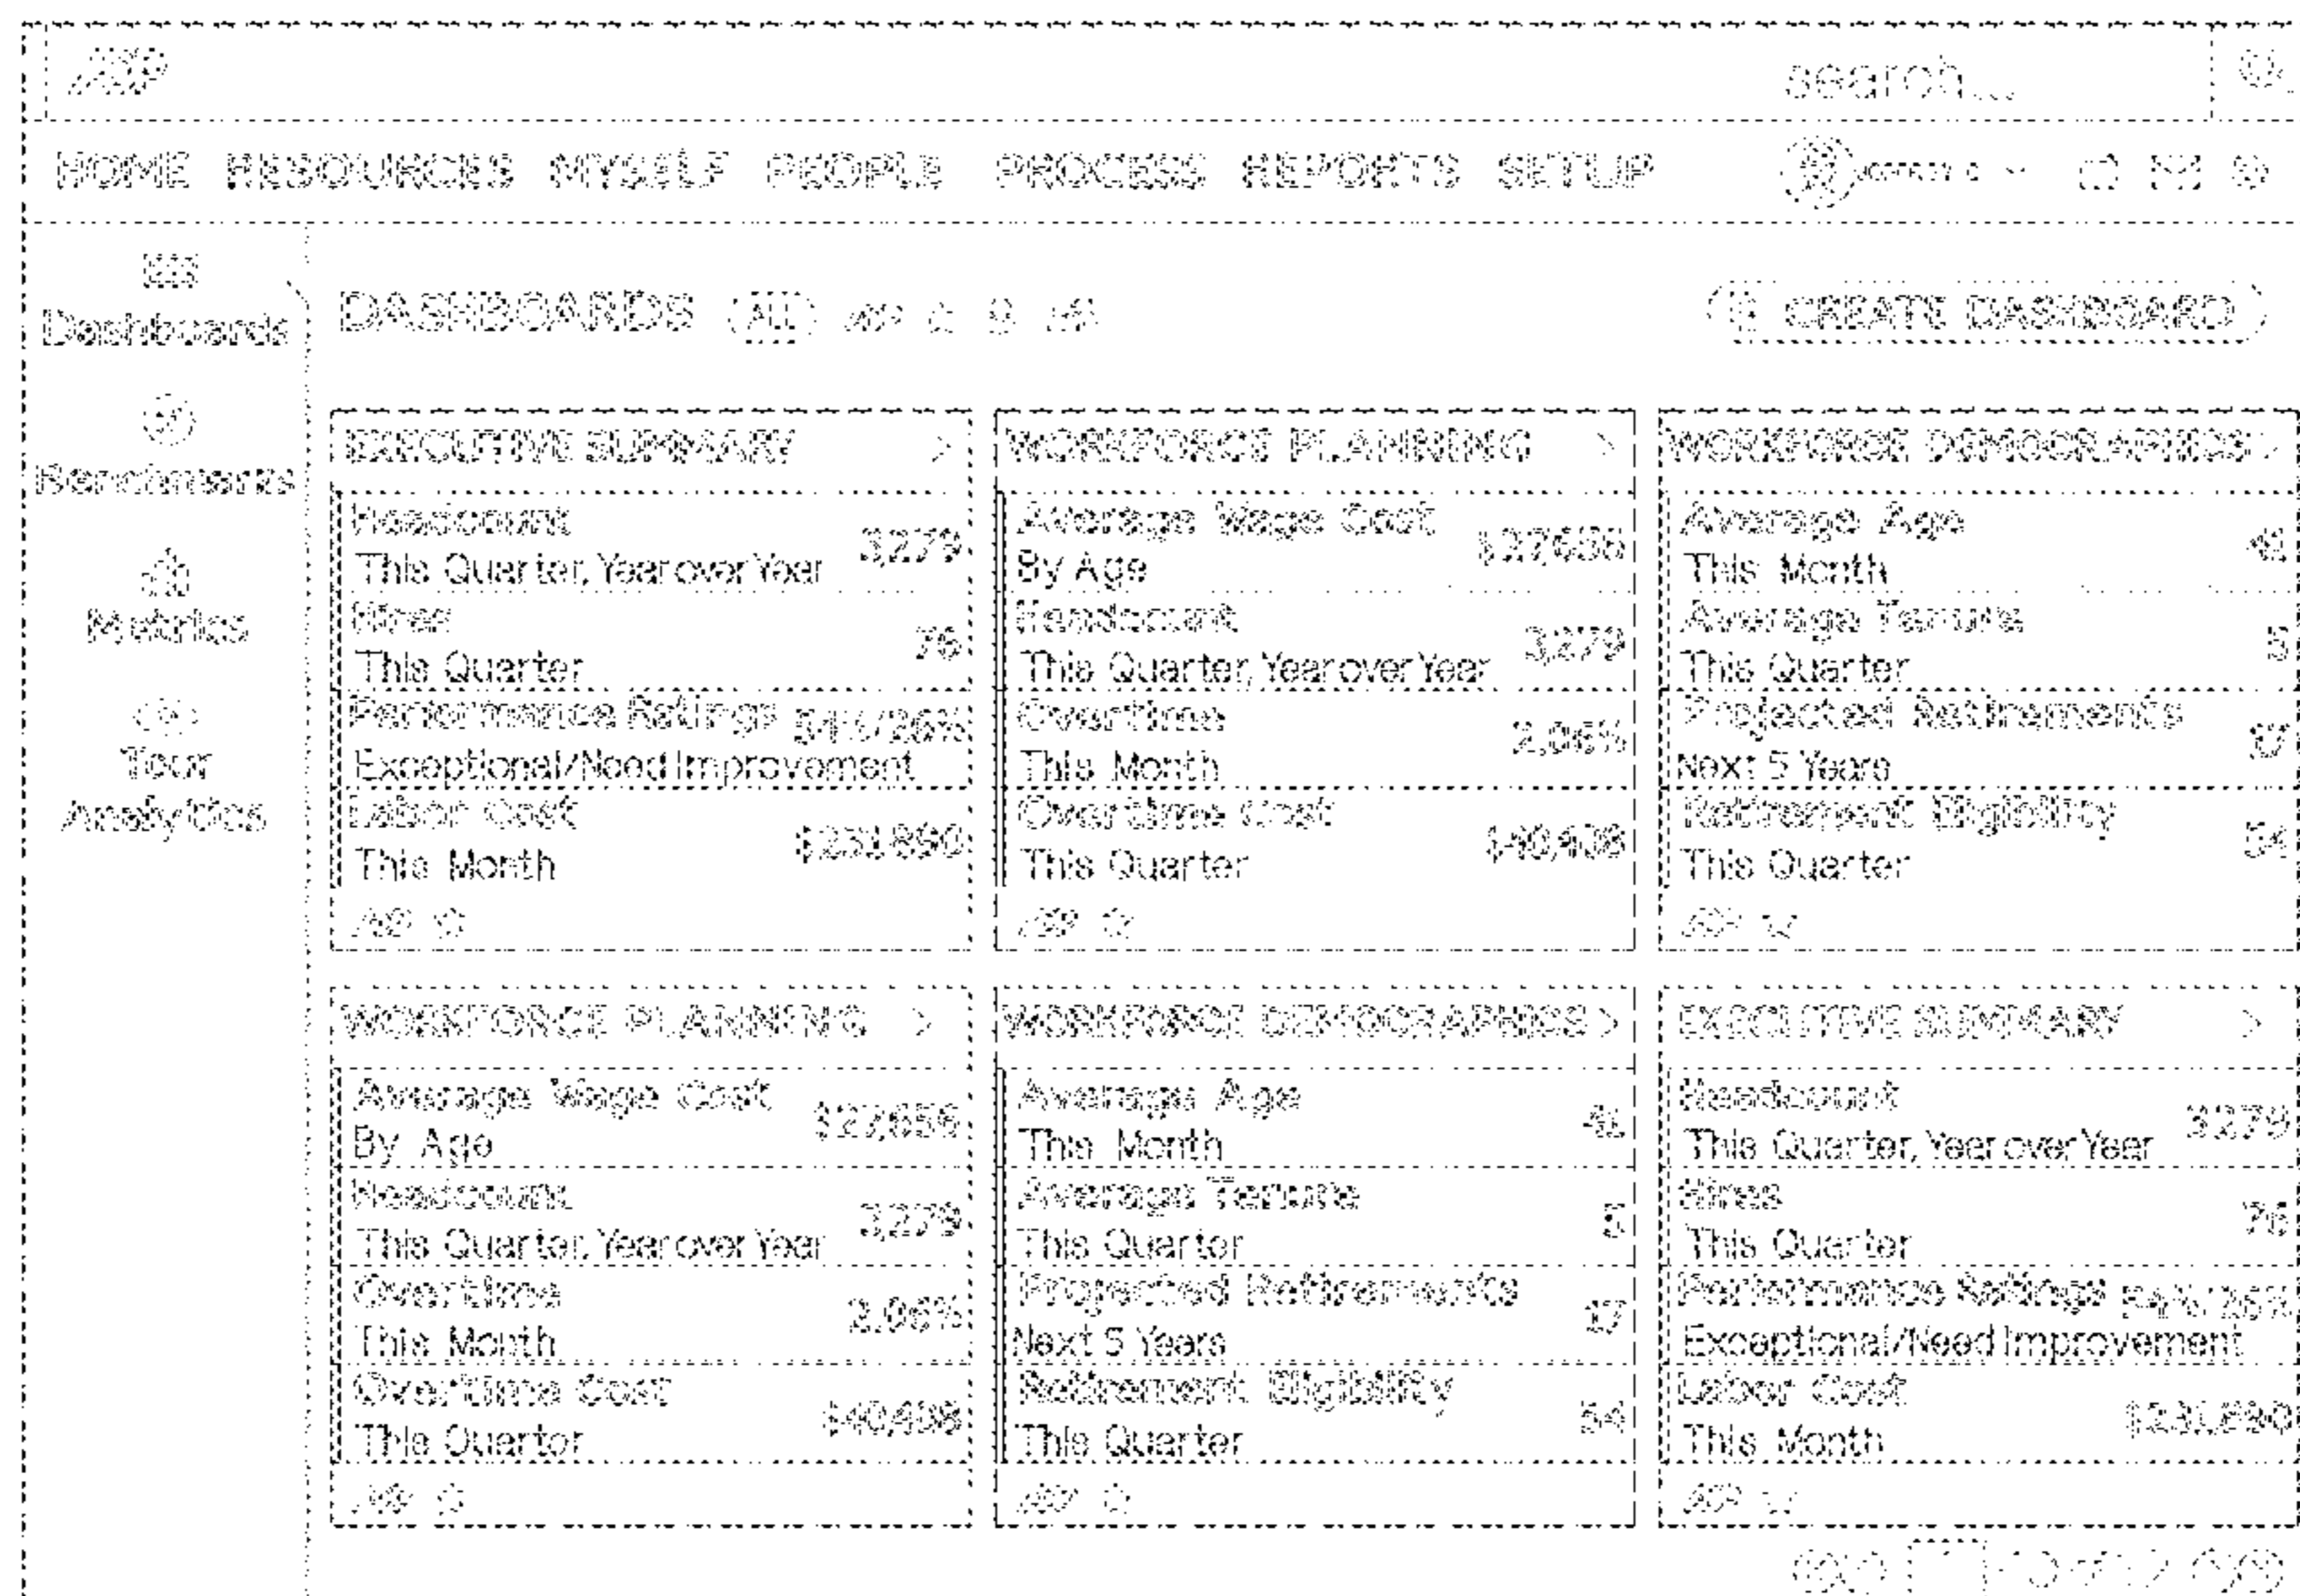

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front view of a display screen or portion thereof with graphical user interface; and, FIG. 2 is a second embodiment thereof.

The outermost broken line perimeter illustrate a display screen or portion thereof; whereas the broken line showing within the display screen illustrate portions of the graphical user interface. All subject matters shown in broken lines illustrate portions of the article that forms no part of the claimed design.

1 Claim, 2 Drawing Sheets
