(57) **CLAIM**

What is claimed is an ornamental design for a display screen with graphical user interface for live video sharing, as shown and described herein.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface for live video sharing showing a first embodiment; and, FIG. 2 is a front view of a display screen with graphical user interface for live video sharing showing a second embodiment thereof.

The broken line showing the display screen and graphical user interface are included for purposes of illustrating environmental structure and portions of the article and form no part of the claimed design.
