(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface;

FIG. 2 is a second image thereof; and,

FIG. 3 is a third image thereof.

The ornamental design which is claimed is shown in solid lines in the drawings. The outermost, dot-dash line represents the display screen or portion thereof and forms no part of the claimed design. The broken lines within the display screen showing text and graphical elements illustrate portions of the graphical user interface that form no part of the claimed design.

1 Claim, 3 Drawing Sheets
