(57) **CLAIM**

The ornamental design for a status display screen with a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a status display screen with graphical user interface showing my new design. The ornamental design which is claimed is shown in solid lines in the drawings. The portions of the design shown in broken lines or dashed lines are included for the purpose of illustrating environment and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
