FIG. 1 is an isometric view of a notched cartridge base insert showing my new design.
FIG. 2 is a top view of a notched cartridge base insert showing my new design.
FIG. 3 is a cross sectional view of a notched cartridge base insert showing my new design.
FIG. 4 is a side view of a notched cartridge base insert showing my new design.
FIG. 5 is a side view of a notched cartridge base insert showing my new design.
FIG. 6 is a bottom view of a notched cartridge base insert showing my new design; and,
FIG. 7 is an isometric cross sectional view showing the notched cartridge base insert molded into a cartridge casing. The nature and intended use of the article in which the design is embodied is a primer insert used in the manufacture of polymer ammunition casings.
