(57) **CLAIM**

What is claimed is the ornamental design for a suitcase, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the suitcase according to the present invention;

FIG. 2 is a front view of the suitcase according to the present invention;

FIG. 3 is a rear view of the suitcase according to the present invention;

FIG. 4 is a side view of the suitcase according to the present invention;

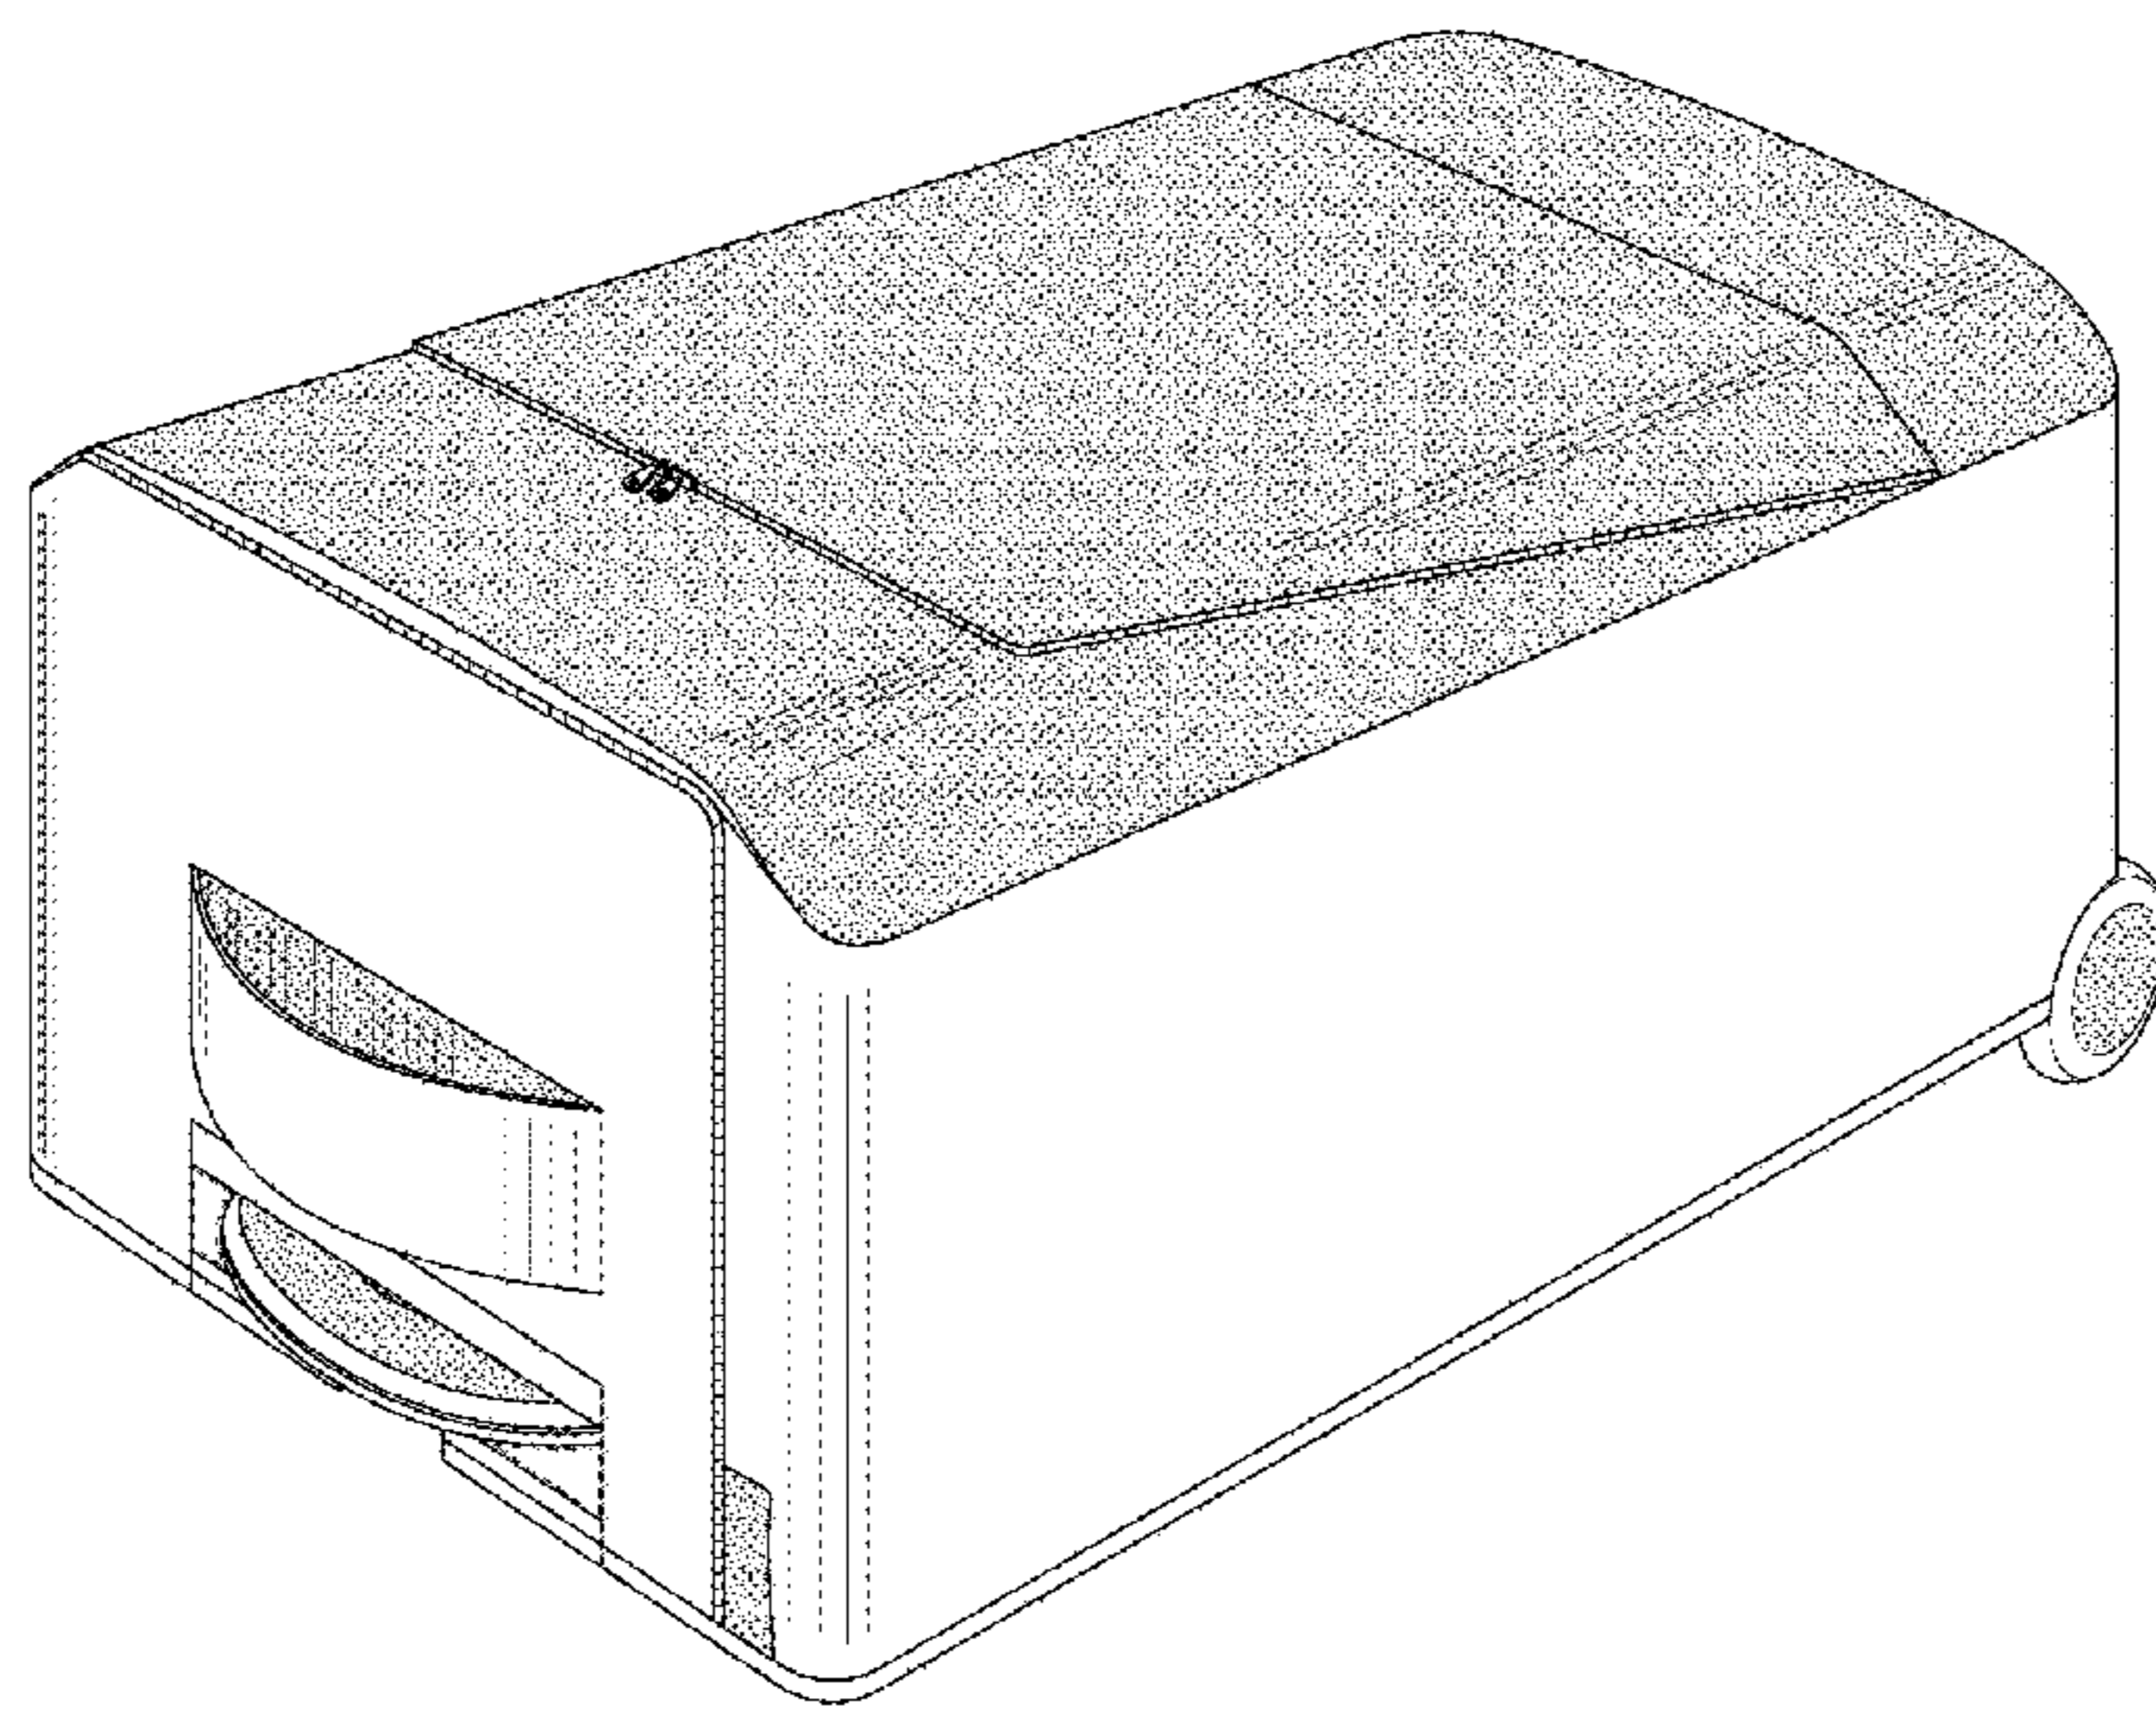

FIG. 5 is a side view of the suitcase according to the present invention;

FIG. 6 is a top view of the suitcase according to the present invention; and,

FIG. 7 is a bottom view of the suitcase according to the present invention.

The broken lines illustrate the bounds of the claim. The broken lines and area within form no part of the claimed design.
