Primary Examiner — Eric Goodman*Assistant Examiner* — Christian P McLean(74) *Attorney, Agent, or Firm* — Shumaker & Sieffert, P.A.**(57) CLAIM**

The ornamental design for display screen with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a first image in a sequence of a first and second embodiment for a display screen with an animated graphical user interface; FIG. 2 illustrates a second image of the first embodiment; FIG. 3 illustrates a third image of the first embodiment; FIG. 4 illustrates a second image of the second embodiment; and, FIG. 5 illustrates a third image of the second embodiment. A first embodiment of the animated graphical user interface sequentially transitions between the images shown in the sequence of FIGS. 1-3; and a second embodiment of the animated graphical user interface sequentially transitions between the images shown in the sequence of FIGS. 1, 4, and 5. The period or process in which one image transitions to another forms no part of the claimed design. The dot-dash line showing of a display screen forms no part of the claimed design. The remaining broken lines, showing portions of the graphical user interface, form no part of the claimed design.
