(57) **CLAIM**

We claim the ornamental design for a storage component, as shown and described.

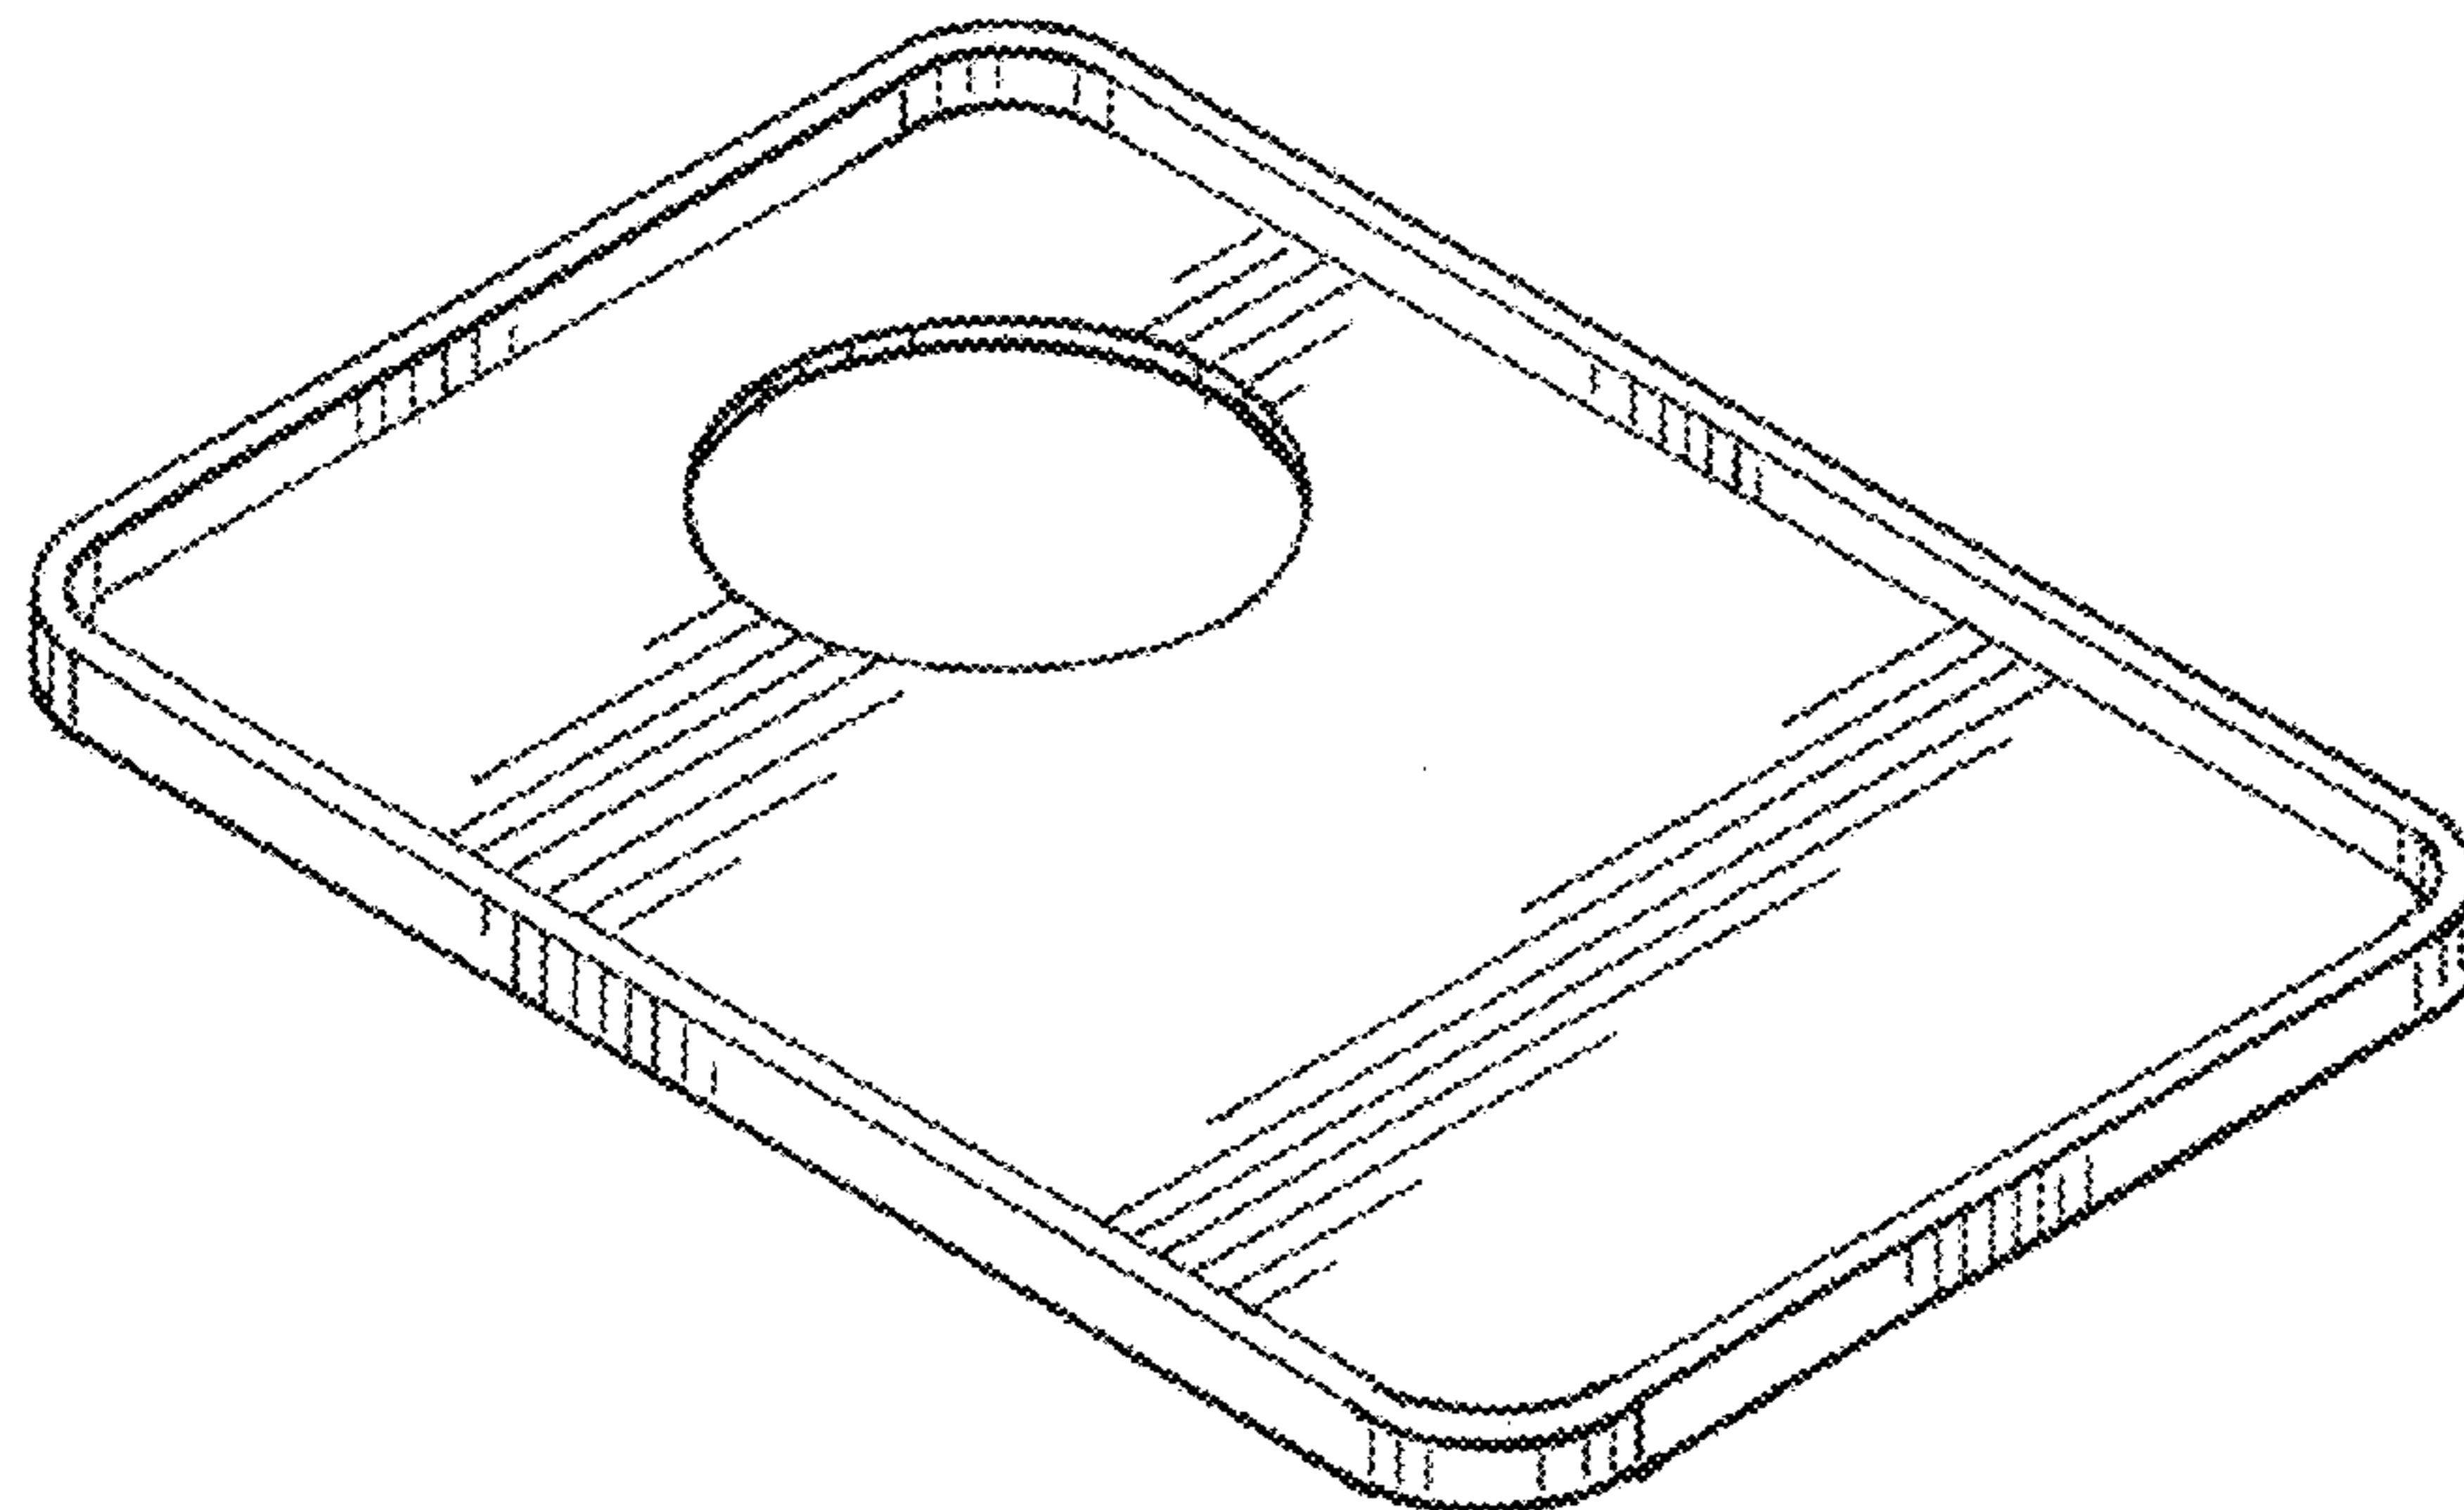

DESCRIPTION

FIG. 1 is a perspective view of a storage component. FIG. 2 is a side view of the storage component. FIG. 3 is an end view of the storage component. FIG. 4 is a top view of the storage component; and, FIG. 5 is a bottom view of the storage component. The broken lines shown in the Figures are for environmental purposes only and do not form any part of the claimed design.
