(57) **CLAIM**

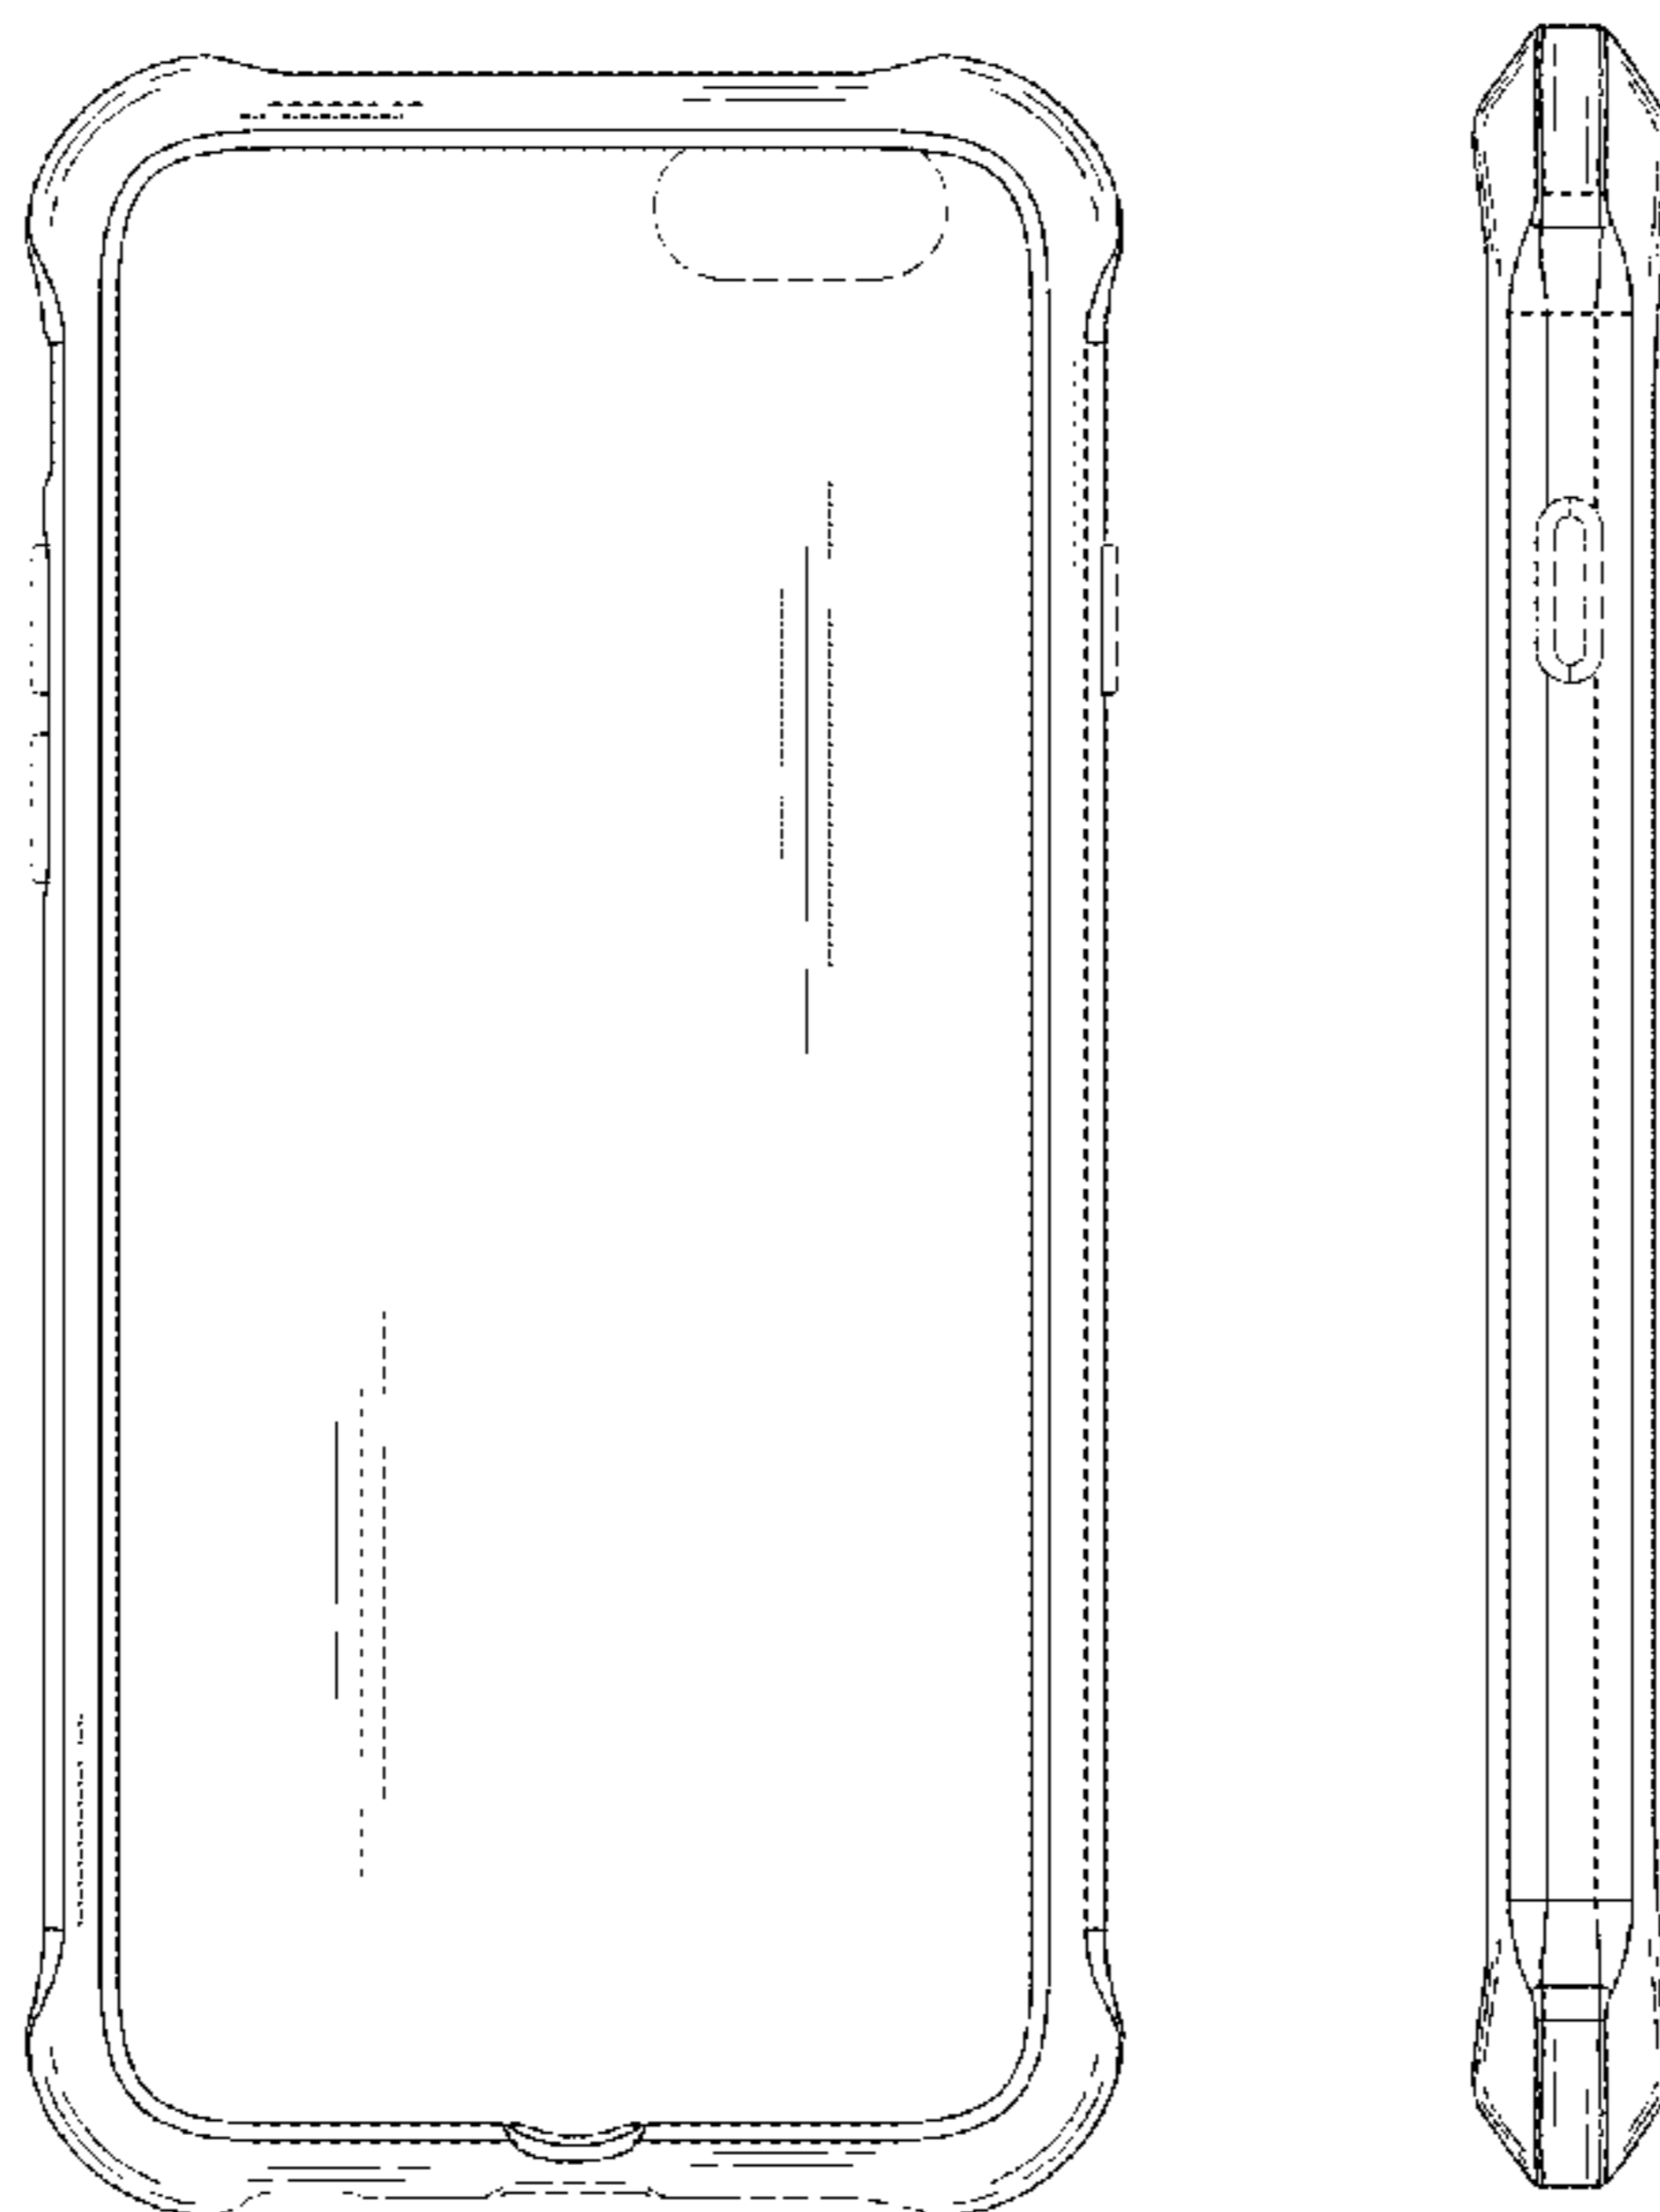

The ornamental design for a cover for mobile communications device, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a cover for mobile communications device showing the new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a right side elevational view thereof; FIG. 6 is a top plan view thereof; and, FIG. 7 is a bottom plan view thereof.

The dot-dash broken line in FIG. 3 represents a boundary of the claimed design. The dash-dash broken lines throughout the figures that are immediately adjacent to shaded surfaces represent additional boundaries of the claimed design. All other dash-dash broken lines depict environmental subject matter that forms no part of the claimed design. The broken lines and unshaded regions bounded by broken lines showing partial portions of the cover for mobile communications device are for illustrative purpose only and form no part of the claimed design.
