(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains or may contain material which is subject to copyright protection by General Electric Company. The copyright owner has no objection to the photocopy reproduction by anyone of the patent document for the patent disclosure in exactly the form it appears in the USPTO patent file or records, but otherwise reserves all copyright rights whatsoever.

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken lines illustrating text, lines, numbers and images in the drawing show portions of the graphical user interface that form no part of the claimed design.
