(57) **CLAIM**

The ornamental design for a shoe outsole, as shown and described.

DESCRIPTION

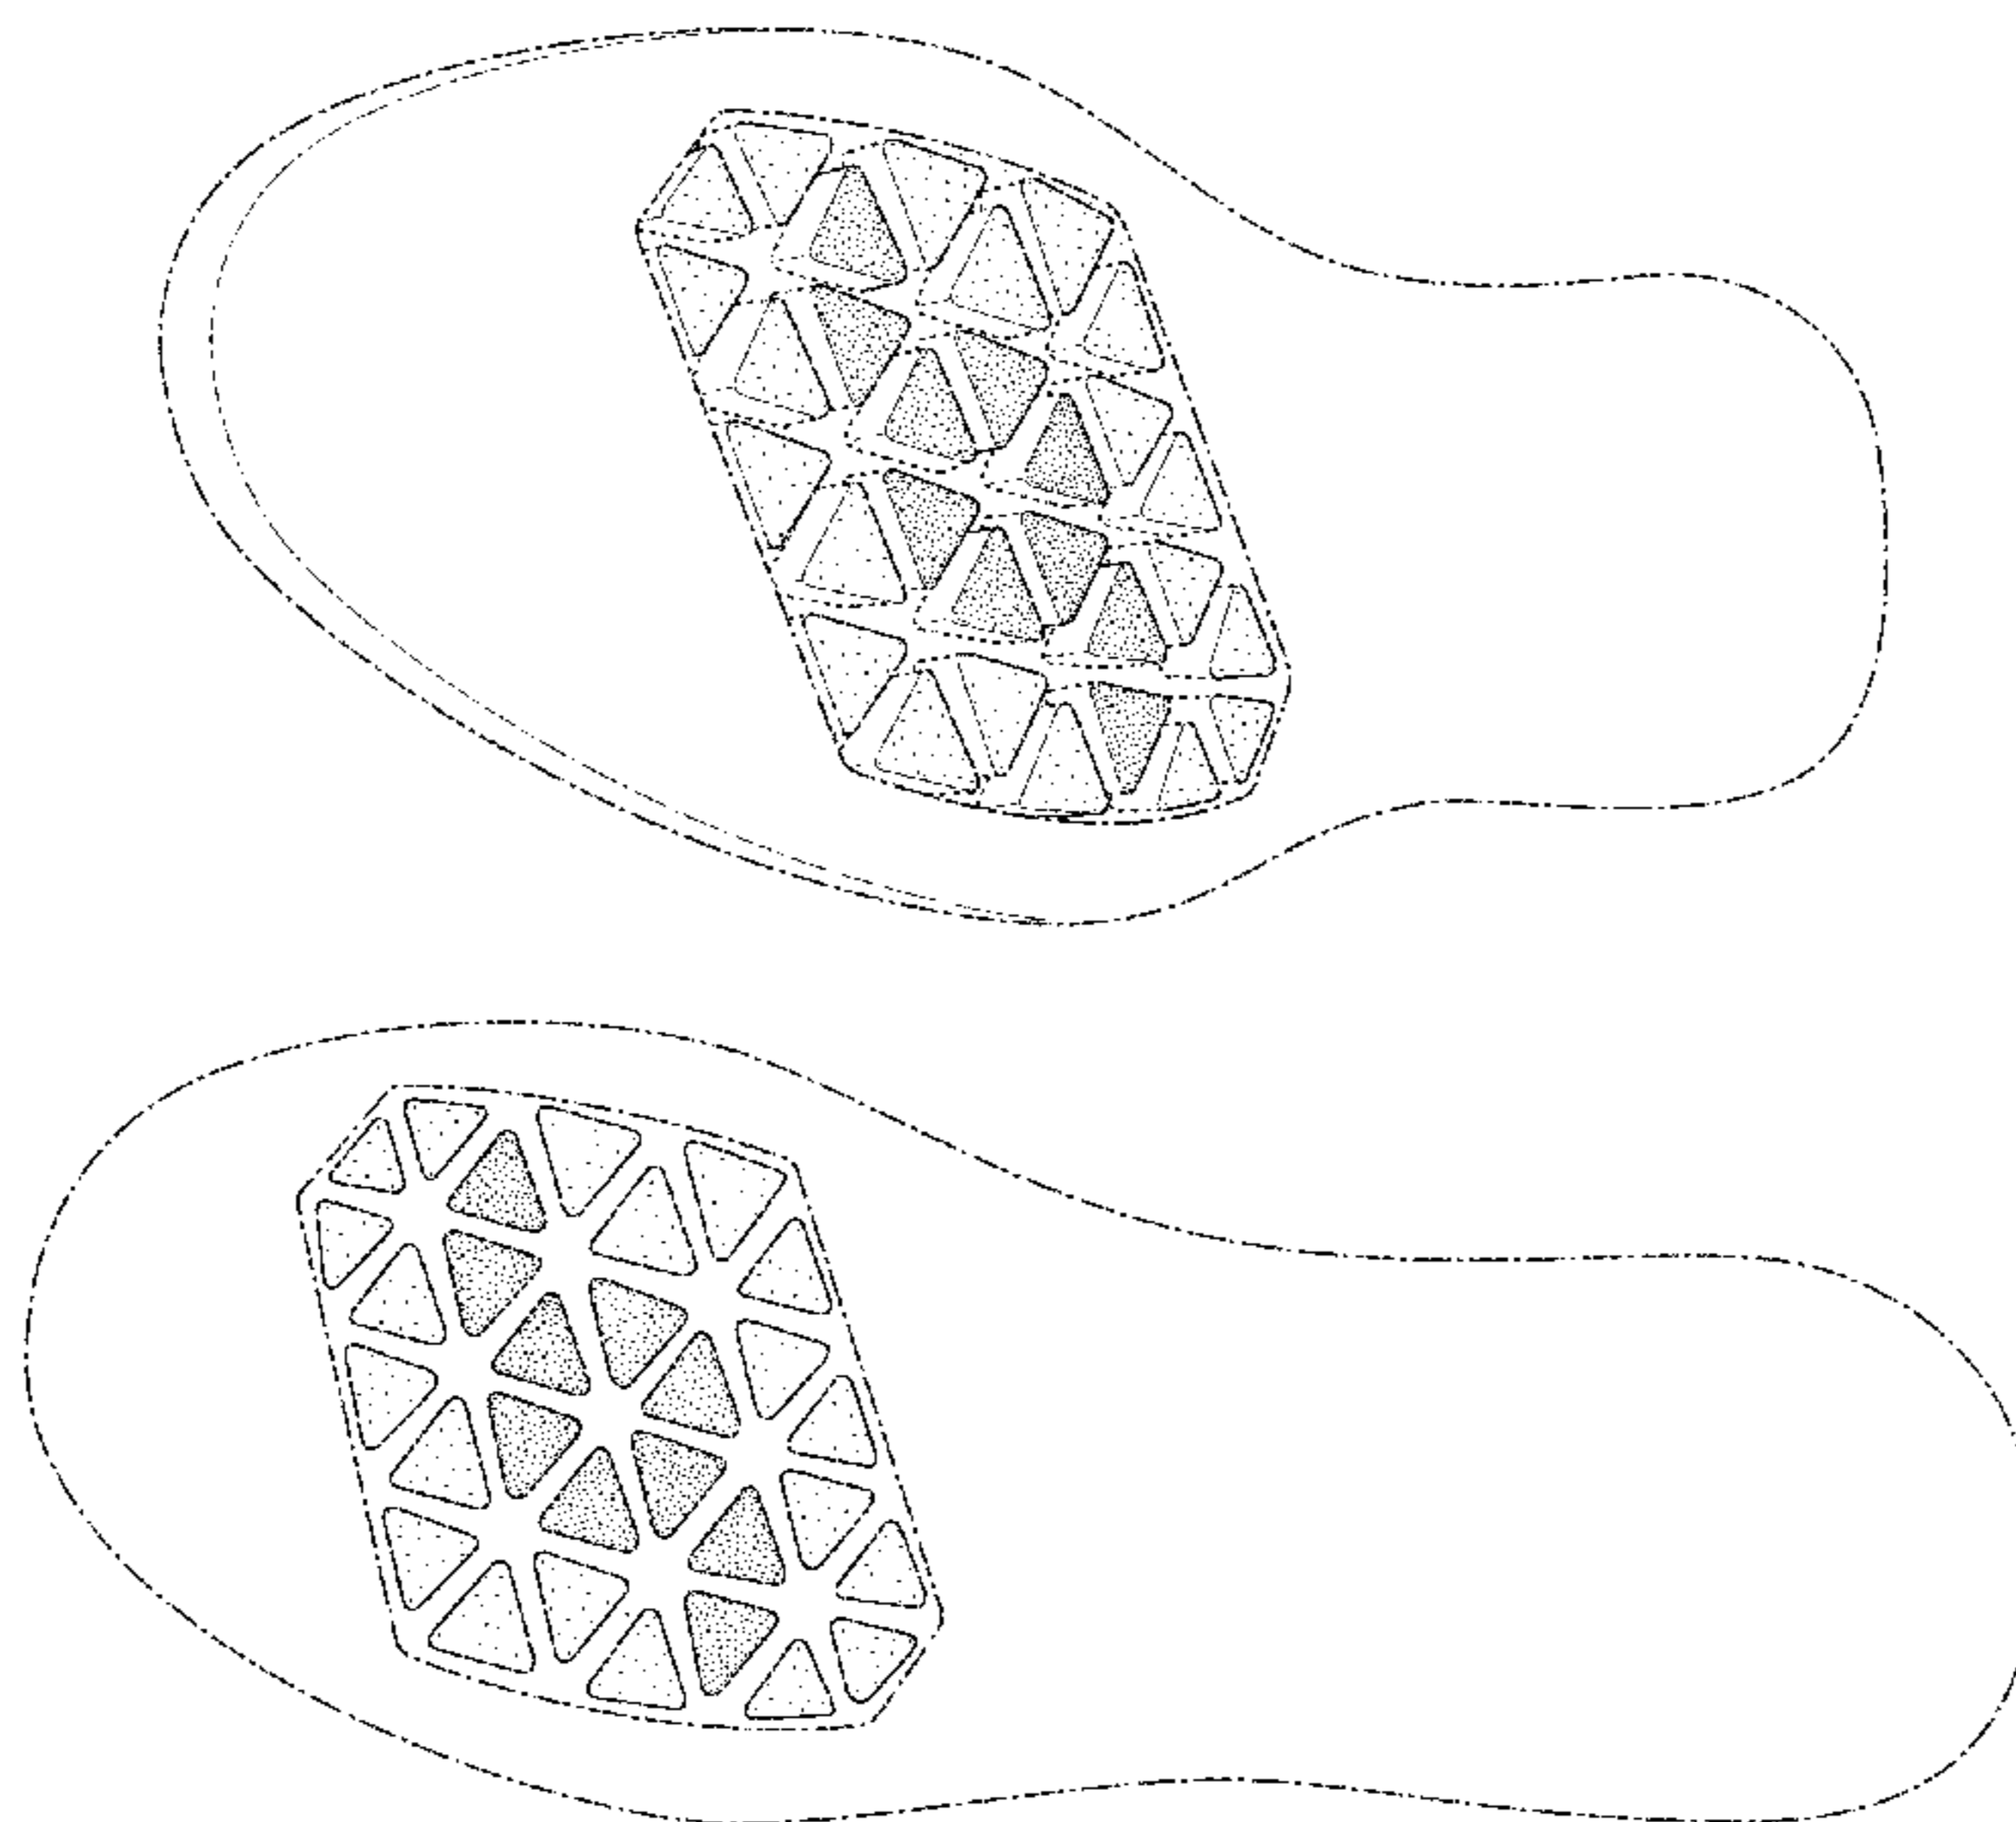

FIG. 1 is a front perspective view of a shoe outsole showing my new design;
FIG. 2 is a bottom view thereof; and,
FIG. 3 is a rear perspective view thereof.
The uneven-length broken lines immediately surrounding the shaded area represents an unclaimed boundary of the design. The unshaded regions between the triangular-shaped elements form no part of the claimed design. The even-length broken lines, showing the sidewalls of the triangular-shaped elements, represent unclaimed subject matter. The uneven-length broken lines showing the remainder of the shoe are for environmental purposes only and form no part of the claimed design. The contrast in shading represents a contrast in appearance only and does not represent any particular color, material, or finish.

1 Claim, 3 Drawing Sheets
